

Ibrox Primary School & Nursery Class

Improvement Newsletter – review of Term 3 24/25

Expressive Arts

This term, P7 violin and P2-4 Baby strings programme continued and families were invited in to observe their child's musical learning. Children in P6 were offered the opportunity to audition for Brass instrument tuition, through partnership with Bellahouston Academy. The school and Nursery enjoyed performances from the Glasgow Barons string quartets/vocal quartet. Primary 6 and 7 were all involved our production of Olivia children used their artistic, musical and dramatic skills and put on a fabulous show.

Digital

The Digital leaders led a whole school assembly and ran Internet Safety lessons in all classes on Safer Internet Day. The RRS committee led a consultation with staff, pupils and families over our use of the platform X. The conclusion was, our school community did not feel the values of the company aligned with our school vision, values and aims. We introduced a Communication Showbie page and holding drop ins to support parents accessing.

Writing

Mrs Chalmers, Mrs Freeguard and Mrs Mckay attended CYPIC training through Education Scotland to develop skills, which enhance the teaching of writing. This has been implemented in Primary 4 and data already shows an improvement within literacy.

Each year the school and nursery have an improvement plan which outlines key areas that have been identified by the school/nursery community. You will find a copy of these plans on our Blog. This newsletter will inform you of the improvement work that was focussed on in the school and nursery in Term 3.

Monday & Friday Assemblies

During these assemblies we focus on –

Our Values

Children's Rights (school & nursery focus)

We focussed on these Articles in Term 3.

All children, young people and adults should know about Children's Rights (UNCRC, Article 42)

Family Engagement and Partnerships

We have worked collaboratively with the 'Central Parenting Team', NSPCC and parents to support our Families. We have focussed on areas such as 'Bedtime Routine' and 'Emotional Resilience'.

Barclays

Charlene led another successful Jump Start programme with families from the school and nursery. They completed a 7 week course developing skills such as interview techniques, CV writing confidence All involved grew in confidence which was highlighted at their mock interview at Barclays.

Ibrox Primary and Nursery Cultural Celebration

Members of our community came together to create a special 'Cultural Celebration'. This included parents and carers cooking delicious foods (supported by the Nursery Cooking Club), children wearing national dress as well as vocal/poetic/dance performances by our children.
