Dear Parents, Carers and Friends of Ibrox Primary School and Nursery,

The final newsletter of this session - I can't believe it! A school year always seems to go past so quickly but so much happens in that time. It is amazing to see the progress of our P1 pupils in their learning and in their friendships. They settled in and became part of our school community so quickly. Last week, some of them stood up and spoke to the parents of our new P1s with such confidence. Our P7s are preparing to go onto Secondary school and face new challenges and opportunities. They have participated in a variety of activities with Bellahouston Academy throughout this year, and last year, to support their transition to Secondary school. I feel they are now confident and ready for their new chapter. We wish them the very best and hope that they continue to keep living our Ibrox Values. But before they go, you can say your final goodbyes at the End of Term Whole School Celebration on Monday 23rd June.

Throughout the year we have welcomed new children to Ibrox and, as always, I am so proud of how friendly and kind our children are. They always work to ensure that new pupils feel valued and included.

Myself, and the school staff, would like to thank the parents who have been a great support to the school and to their children's education throughout the session. Thank you to the parents who are able to volunteer to help with school trips and other school events. We very much appreciate this.

Finally, Miss O'Donnell will be leaving us at the end of term. I would like to thank her for all her hard work and the care shown to the pupils at Ibrox. We wish you all the best.

As always, thank you for your continued support.

Fiona Young

Head Teacher

Summer Trip to Bellahouston Park

Friday 20th June

We try to minimise the cost associated with the school day as much as possible. We went to the pantomime in December which was expensive so this summer children will be visiting

Bellahouston Park, for a fun day, as our Summer Trip. This will be free of charge. I know this is not the trip that some of our parents/carers want however this decision was made when we decided to go to the pantomime. We not only considered the cost of the trip, we also had to consider the time it takes for the administration tasks associated with a trip - costings, bookings, payments, risk assessments etc

Next session children will go on a summer trip, to somewhere outwith Glasgow, on a coach. The place that each class will go to will be voted on and confirmed early in the new session. This will allow plenty of time to pay the trip up. We will go to the pantomime alternate years.
