

Class Newsletter

Primary 3/2 Term 1 2025-26

Dear Parents/Carers,

Welcome back! We have enjoyed the past couple of weeks settling into the classroom, getting to know one another, and learning about the rules and routines of Primary 3/2. In addition to the whole school newsletter, you will receive a newsletter each term for your child's teachers which will keep you informed about the curriculum, what's going on in and out of class! If at any time you can help with resources or trips, please do not hesitate to contact us via the school office.

Literacy

Children in P3/2 are working on the Read, Write Inc scheme. As we move through this term books will begin to come home, and online content will be available to reinforce learning.

For reading, your child will practice using the Before, During, and After Reading Strategies through focused questioning during class read-aloud sessions. Children will continue to develop their knowledge of sounds and common words.

A love of reading will be nurtured through a varied and inviting class library with comfortable spots to read throughout the classroom. Children will be encouraged to read for pleasure and may bring books home from the class/school library. Please encourage your child to read at home with you or independently to develop their reading skills.

For writing this term, we will be focusing on recount and fiction writing. Your child will focus on key tools for writing, such as punctuation, openers, and conjunctions.

Numeracy and Maths

This term, your child will be reinforcing their knowledge and understanding of number focusing on estimation and rounding of numbers up to 100, counting in steps of 2, 4, 5 and 10, and developing their grasp of the four operations.

In Maths, we will explore patterns as well as 2D and 3D shapes. We will continue to build our knowledge of time through daily discussion.

Please encourage your child to practise their numbers at home – this can be done through their Magma Maths login.

Inter-Disciplinary Learning (IDL/Topic)

This term our IDL focus is 'Our Wonderful World.' We will be developing our knowledge of geography near and far by learning about people, places, and environments around the world.

Health and Wellbeing

Our PE days are Tuesday and Friday. Please make sure your child has suitable shoes and comfortable P.E. kit. We will be focusing on ball skills and teamwork.

Your child will continue developing their mental, social and emotional wellbeing, focusing on feelings and relationships. This will link with our Emotion Works programme, in which we will focus on the building our vocabulary when discussing feelings.

Uniform and Jackets: At Ibrox Primary, we strongly encourage the wearing of uniform, this allows children to feel part of the school community and contributes positively to the school ethos and school security. The school uniform is, white/pale/navy blue shirt/polo with or without school logo, navy sweatshirt and navy trousers/skirt. Children should bring a jacket each day as they go out to play in all weathers. **Please ensure all clothing is labelled with their name.**
