FREE SCHOOL MEALS & CLOTHING GRANT

As in Primary you will have to apply for free meals and/or clothing grant when coming to Secondary. Please do this in plenty of time. All applications must be done Online via MyGovScot account see www.glasgow.gov.uk/schools

PARENT PAY

In Lochend we operate a cashless system for school meals. This is different from Primary as you do not book meals. If you already have activated a Parent Pay account in primary then you should have the option to change school for your child and deposit money for school lunches into the account. If your child receives Free School Meals then the account is automatically credited with £2 every day which they can only use at lunch time. If your child would like a morning snack from school catering then you are required to deposit money into their account, if you do not do this then a debt is accrued. When your child joins Lochend you will be issued with an Activation letter if you haven't already got an account. We only use Parent Pay for meals in Lochend.

PARENTS PORTAL

This programme should enable you to:

- Update your address and contact details
- Review the Annual Data Check which contains personal details about your child
- View your child's attendance
- View your child's timetable
- View the school calendar
- Report your child's Absence

You must have a My Gov Account and you can find out more information at www.glasgow.gov.uk/schools

NEC TRAVEL CARD

Travel Card with photo for Secondary School Pupils (NEC)
The national entitlement card allows young people under the age of 22 years old to access bus travel for free. Pupils coming to Lochend who do not already have a card will be able to apply for one in school. Glasgow Life usually comes in to take photos of S1 for this. You will be notified.

MEDICAL INFORMATION

We have 2 First Aiders in school for minor injuries -
Mr Love (PE) and Mrs Hewitt (SfL).

In secondary most children carry their own medication (inhalers etc). If you require your child to take medicine in school then a form must be completed before this can take place. Please contact your child's Pastoral Care teacher who will liaise with a first aider to issue this form. Please do not send medicine into school without prior approval as we do not facilities to store it.

If you need to contact us about any personal medical information regarding your child then your contact is their Pastoral Care teacher.
