

Study Support Webinars — A Nutshell Guide for Learners

What are the Webinars and who are they for?

The Webinars will complement your subject courses in school. They are for any pupil that is currently undertaking an SQA course. They are offered in the evenings during term time and delivered via Microsoft Teams.

What will I gain?

- Knowledge of different aspects of subjects that I am studying in school
- Different approaches to the subjects that I am studying in school
- Some exam/assessment techniques that will help me to do well in my assessments
- Topic/subject knowledge that will complement what I am already studying in school

How will I learn?

- Through live online Webinars with a specialist teacher
- Alongside learners from a range of schools across Scotland
- By accessing high quality learning resources that will be available to you in Teams
- By using appropriate digital tools
- By posting questions and queries in the Teams chat during the Webinars

What is my role?

- To learn in a different context
- To develop new skills
- To communicate effectively with Teams so that teachers can provide the correct level of support
- To share feedback on the experience
