

# Merrylee Primary School P7 Numeracy Home Learning Glasgow Counts Second Level

### **Negative Numbers!**

Write a number line from -20 to 20. Use this to calculate:

-19 + 7 =

8 - (-7) =

12 - 24 =

Try other ones!

### The best way...?

Do the sum ... 245 + 146 = 3 What strategy did you use? Draw a mind map to demonstrate all the different ways in which you could work out this sum. Circle what you think is the most effective strategy.

### Mixed Numbers

Change these fractions to mixed numbers

26/4 38/3 14/7 13/2 54/5

six, tin	nes ta	ıble c	hain 🤉	game	•
we a lon	a rec	tom ole	a varitta	10 b	

птіпіп

Pick a number card (between 1-10), e.g. 3, and write the third multiple of 6 in the third box. Keep going until you have all the multiples of 6.

### Times Table chain game

Do the same as 'Six Times Table Chain Game' for...

- 7 times table
- 8 times table
- 9 times table

### **Partitionina**

Roll 2 dice to create a 2 digit number.
Put out that many 10 strips.
Roll 2 dice to create a 2 digit number.
Add on that number to the number you have created with tens strips. Write it down. E.g. 16 tens + 24 ones is 184

## Equivalence

Find at least 10 equivalent fractions for 4/5

## What else do you know?

If you know 1/8 of 32 is 4... what else can you work out?

### Missing number

Work out the pattern in this number sequence to find the missing number.

3000, 1500, 750, 375,\_\_\_\_\_, 93.75

### Countdown!

+, -, x and ÷ these numbers, using them only once, to make the 3 digit number!

10 13 6 1 5 2 661

## Partitioning %

Use the partitioning method to calculate: 17% of 240 16/5% of 320

Try other ones!

## Make a game!

Make a game using an Empty Number Line, e.g. card game, pairs, track game...

### Grid multiplication!

Draw how you would work out.. 128 x 14 = 159 x 26 =

Try your own examples...

### Prove it!\*

Draw a picture or write a description to show that you understand

Of how to partition numbers!

### Be the teacher!

Teach someone a strategy you have learned in class. It could be the empty number line, the grid method, partitioning, or something else!

### More grid multiplication!

Draw how you would work out... 1.5 x 4 = 2.5 x 6 =

Try your own examples...

### Question Time!

Write a question for these answers...
578
612

4015 Try some more!

### Ordering

Order these fractions...
What do you need to do to make this easier?
1/10, 2/5, 18/30, 10/15...1/2

## **P7 Numeracy Home Learning**

We do between 5 and 6 hours of Maths and Numeracy a week but try and do what you can at home.

This term we have been concentrating on: \_\_\_\_\_\_.

Enjoy some of these websites or apps at home!

https://pages.sumdog.com/ Username: Password: School Code: Merrylee	Khan Academy <a href="https://www.khanacademy.org/">https://www.khanacademy.org/</a> This site is especially good for maths and computing for all ages. Accessible for children without an account.	www.bbc.co.uk/bitesize/subjects/zjxhfg8  For all ages – can be used to help with homework, revision and learning. Videos, step by step guides, activities and quizzes all by stage level. KS1 – age 5-7.
www.mathplayground.com  Free online maths games and more – problem solving, logic games and number puzzles that children love to play!	www.echalk.co.uk/Primary/numeracy.html  Educational games, simulations, puzzles and activities created with a focus on learning through fun.	www.topmarks.co.uk/maths-games/ A searchable site of thousand of quality teaching resources, interactive resources and games.
https://www.oxfordowl.co.uk/welcome-back/for-home/reading-owl/maths  Educational resources and free eBooks to support children's learning at primary school and home.	https://www.coolmath4kids.com/ Math and Games for Kids, Teachers and Parents. Math lessons and fun games for kindergarten to sixth grade, plus quizzes, brain teasers and more.	https://www.doorwayonline.org.uk/ Doorway Online is a collection of free and highly accessible educational games that learners will find easy to use independently. Each activity has a range of accessibility and difficulty options.
Prodigy maths <a href="https://www.prodigygame.com/">https://www.prodigygame.com/</a> Essential maths skills for 1 <sup>st</sup> to 8 <sup>th</sup> grade – this website is in U.S. grades, but valuable for UK Primary age too.	https://mathsbot.com/ Interactive tools and activities to aid the teaching of mathematics. Hundreds of randomly generated questions and answers.	Apps (free with no login required) • 10 Minutes a Day Times Tables • Maths Champions Lite for Kids • Times Tables Quiz • Maths Loops Lite: Times Tables • Monster Maths

## **P7 Numeracy Home Learning**

		_	
1 II	nes	١a	bles

Spend at least 15 minutes a day practising your times tables https://ttrockstars.com/

https://www.topmarks.co.uk/maths-games/hit-the-button

https://www.timestables.co.uk/

#### Maths Games

Choose a maths game to play each day.

Have a go at inventing your own maths game.

https://matr.org/blog/fun-maths-games-activities-for-kids/

Link to maths games videos:

https://www.youtube.com/watch?v=foj6ujoT\_HU&list=PLWIJ2KbiNEyoBDc5yLJ4PaiaY3o5E5xCB

#### Column Addition

Make your own millions, hundreds thousands, tens thousands, thousand, hundreds, tens and ones counters by drawing on counters you have at home or make some out of paper/card.

Practice column addition with your millions, hundreds thousands, tens thousands, thousands, hundreds, tens and ones, then have a go at drawing them out. Once you have done this, practise column addition using just the numbers.

Why don't you use a dice to generate your numbers and make some column addition questions of your own!

Link to video for column addition of 2 3-digit (HTO) numbers:

https://www.youtube.com/watch?v=PRAOFeuaaVU&list=PLWIJ2KbiNEyq1iZ36fRexTJ4NNZsmYz9&index=9

#### Column Subtraction

Make your own millions, hundreds thousands, tens thousands, thousands, hundreds, tens and ones counters by drawing on counters you have at home or make some out of paper/card.

Practice column subtraction with your thousands, hundreds, tens and ones, then have a go at drawing them out and then practising with just the numbers.

Why don't you use a dice to generate your numbers and make some column subtraction questions of your own!

Link to video for column subtraction of 2 3-digit (HTO) numbers:

 $\frac{https://www.youtube.com/watch?v=sTILCPp6q2c\&list=PLWIJ2KbiNEyq1iZ36fRe-xTJ4NNZsmYz9\&index=10$ 

### Grid method and column method multiplication

Multiply a 6 or 7-digit number by a 2-digit number by making your own place value counters to help you. You can either draw on counters or make your own out of card/paper.

Once you have done this with counters, have a go by drawing them out.

Link to video:

 $\frac{https://www.youtube.com/watch?v=QrKqvhV-j\_Q\&list=PLWIJ2KbiNEyq1iZ36fRe-xTJ4NNZsmYz9\&index=13$ 

### Division (grouping and sharing and bus stop method)

Get some something you can use to share (counters/raisins/grapes etc....) Practise dividing by sharing and dividing by grouping.

Link to video:

### https://youtu.be/bdglIPNNhuI

Divide a 6 digit number by a 1-digit number by making your own place value counters to help you. You can either draw on counters or make your own out of card/paper.

Once you have had a go with counters, try it by just drawing out the counters. Then have a go practising with just the numbers.

Link to video for dividing a 3-digit (HTO) number by a 1-digit number:

https://www.youtube.com/watch?v=D7PelKmv-jI&list=PLWIJ2KbiNEyq1iZ36fRe-xTJ4NNZsmYz9&index=14

## **P7 Literacy Home Learning**

We do between 5 and 6 hours of Reading, Writing, Listening and Talking a week but try and do what you can at home. Have fun on some of these websites or with the activity ideas at home!

http://more.starfall.com/?t=289238018&nrb=1&y=1  Starfall activities are research-based and align with Individual and US Standards in English language arts and mathematics. Still applicable in UK	http://www.readwritethink.org/  Providing educators, parents, & afterschool professionals with free access to the highest quality materials for reading & language arts instruction.	https://www.oxfordowl.co.uk/welcome-back/for-home/reading-owl/english1  Educational resources and free eBooks to support children's learning at primary school and home.
https://www.abcya.com/  ABCya.com is a website that provides educational games and activities for school-aged children. The games on the website are organized into grade levels from pre-kindergarten to Sixth grade, as well as into subject categories such as letters and numbers.	http://www.crickweb.co.uk/ks1literacy.html  English educational kids games and activities.  Teach your child, spelling, reading, alphabetical order and grammar with these English learning games.	Ask your child to pick a topic they'd like to learn about and spend 30 mins each day on that topic. Can they produce a poster, a leaflet or a booklet with their research and add some pictures to illustrate?
<ul> <li>Can you write a short story or your news and illustrate it?</li> <li>Why don't you make your own book and learn how to do simple book binding.</li> </ul>	Select a range of books that you have in the house – which one is your favourite and why?	<ul> <li>Ask your child to write a letter and/or email to a different friend or family member each day.</li> <li>What about creating and making notes or letters to send to a local nursing home?</li> </ul>
Make tents and reading caves with flashlights, tidy snacks, books, and pillows!	Write a story cooperatively. One person picks a character and the other picks a setting and then write your story together.	Listen to kid podcasts – some good examples are 'story pirates' and 'smash boom best.

## Merrylee Primary School P7 Reading Home Learning Complete some of these Literature Circles Tasks with different Fiction books.

#### Passage Master

I can select and read paragraphs from a novel I enjoy and find interesting, and I can explain why I prefer certain texts and authors

#### Success Criteria:

Find an interesting paragraph in your text and share with your group giving at least four or five reasons for your

## Literature Circles - Fiction

#### Illuminator

Learning Intention:

I can identify the character's feelings and emotions in the text I am reading.

#### Success Criteria:

Find at least five parts in the passage that tells us about the character's feelings eg. Happy\_sad\_exciting\_scary. Jonely,etc.

#### Summariser

Learning Intention:

I can summarise the main events of the text I am reading.

#### Success Criteria:

Summarise the outline of the passage with at least five key parts perhaps concentrating on character, plot or setting.

#### Question Master

Learning Intention:

I can create and respond to literal, inferential and evaluative questions about my text.

#### Success Criteria:

Create four or five questions for members of your group about the passage you have just read. You could start with what, when, who or how etc.

#### Word Finder

Learning Intention:

I can clarify unfamiliar words in the text that I am readina.

#### Success Criteria:

Find at least five or six words from the passage that you find interesting, confusing or new. Use a dictionary to find their meaning or any other NHR strategies and share with

#### Mind Mapper

Learning Intention:

I can pick out important aspects of the text and organise in notational form.

#### Success Criteria:

Draw and colour code your own mind map including at least 8 important aspects of what you have read, eg, plot, character, setting.

#### Illustrator

Learning Intention:

I can illustrate what I visualise when I'm reading.

#### Success Criteria:

Create a picture of something important in the passage. It may be realistic or symbolic.

#### Link Maker

Learning Intention:

I can link what I read in mytexts to myown experience or examples I have seen in the media.

#### Success Criteria:

Make connections with at least two or three excerpts from the passage and your own experiences. eg, 'This part made me think about ...'

## Merrylee Primary School P7 Reading Home Learning Complete some of these Literature Circles Tasks with different Non-Fiction books.

#### Passage Master

Success Criteria:

Find an interesting paragraph in your non-fiction text and share with your group giving at least four or five reasons for your choice.

## Literature Circles Non-Fiction

#### Skimmer

Learning Intention:

I can quickly read over non-fiction text to decide what it is mainly about.

Success Criteria:

Write one or two sentences to explain what the page/section is roughly about.

#### Scanner

Learning Intention:

I can look through the non-fiction text for a particular word or phrase then read closely to find out important

Success Criteria:

Write detailed information about the chosen word or phrase. This can be written in notes or full sentences.

#### Quiz Master

Learning Intention:

I can create and respond to literal, inferential and evaluative questions about my non-fiction text.

Success Criteria:

Create four or five questions for members of your group about the passage you have just read. You could start with what, when, who or how etc.

#### Note Taker

Learning Intention:

I can summarise the main points of the non-fiction text Iam reading.

Success Criteria:

Pick out the important parts of the non-fiction text and write them in note form using bullet points. Please have a subject heading for your notes.

#### Word Finder

Learning Intention:

I can clarify unfamiliar words in the non-fiction text that I am reading.

Success Criteria:

Find at least five or six words from the non-fiction passage that you find interesting, confusing or new. Use a dictionary to find their meaning or any other NHR strategies and share with your group.

#### Mind Mapper

Learning Intention:

I can pick out important aspects of the non-fiction text and organise in notational form.

Success Criteria:

Group the information under sensible headings and organise clearly in your favoured format, e.g., table, spiderd iagram, mind map, flow chart.

#### Illustrator

Learning Intention:

I can illustrate what I visualise when I 'm reading my nonfiction text.

Success Criteria:

Create a picture of something important in the non-fiction text. It may be realisticor symbolic of the facts you have learned.

#### Link Maker

Learning Intention:

I can link what I read in my non-fiction texts to my own experience, prior knowledge or examples I have seen in the media

Success Criteria:

Make connections with at least two or three excerpts from the passage and your own experiences or prior knowledge. eg, 'This part made me think about ...'

## **P7 Spelling Home Learning**

Use the spelling lists on the next page to complete these activities over the next four weeks.

## **P7 Writing Home Learning**

## Complete a number these Fiction Writing tasks in your Home Learning Jotter.

Write a Fiction account that concentrates on the 'Characters' and give clues for the reader. You may wish to consider:

- Character descriptions and appearance.
- Character actions and speech
- Character environment and setting
- Character body language and posture

#### Character Clues:

You may also wish to include details on:

- character thoughts/stream of consciousness
- adjectives, adverbs, similes, metaphors, visualise
- theme- message portrayed by author

### Character descriptions can also include:

- a turning point for a character
- writing from different viewpoints first and third person

Write a Fiction account that concentrates on the 'Setting' and give clues for the reader. You may wish to consider:

- weather & seasons
- using colour, light & dark
- descriptions
- five senses (sight, sound, taste, touch and feel)
- visualisation (picture

#### Setting:

You may also wish to include details on:

- understand how setting connects to themes
- compare settings with different genres.
- alliteration & onomatopoeia

### Setting:

- building up & structuring a description
- establishing where and when
- descriptions to build atmosphere in a story
- describing real & imaginary places
- weather, colour, light & the five senses to establish mood & setting
- setting descriptions to fit with genre
- sound imagery onomatopoeia, alliteration
- personification & similes (setting photos may be used as basis for writing)

Write a Fiction account that concentrates on the 'Plot' and give clues for the reader. You may wish to consider:

- be able to summarise main events
- · identify who is telling the story
- offer an opinion
- predict events
- draw conclusions
- see relationship between character, setting and plot
- relate plot to the theme of the writing

#### Plot:

You may also wish to include details on:

- good titles
- genre of story
- story structure-logical sequence of events
- styles of beginnings-through setting, character description, event, dialogue
- middle of story-main events
- styles of endings
- continuing story from starter
- engaging the reader through vocabulary
- creating tension & mood
- developing a problem to be solved
- writing from different viewpoints first and third person
- fables

## Merrylee Primary School P7 Writing Home Learning

Complete a number of these Non-Fiction Writing tasks in your Home Learning Jotter.

#### PROCEDURAL PIECE OF WRITING

Eg: Recipe, Science Experiment, Instructions on Packaging, Posters, Signs, Technical Manuals ie: for car or DIY

#### **STRUCTURE**

- STATES GOAL USING PRECISE TERMINOLOGY
- CLEARLY LISTS MATERIALS /EQUIPMENT AND QUANTITIES
- WRITES EXPLICIT, SEQUENCED INSTRUCTIONS
- DETAILS STEPS IN TURNS OF HOW, WHERE AND WHEN
- MAY INCLUDE HELPFUL HINTS

#### **LANGUAGE**

- PRESENT TENSE
- SENTENCES START WITH A VERB
- CLEAR AND PRECISE PROCEDURAL LANGUAGE USED
- APPROPRIATE TECHNICAL TERMINOLOGY USED
- PRECISE ADJECTIVESAND ADVERBS
- TIME LINKING WORDS E.G. AFTER

#### REPORT PIECE OF WRITING

Eg: Letter, Catalogue, Information Leaflet, Magazine Article, Topic Based School Project, Tourist Guide, Encyclopaedia Entry, Non-Fiction Book, Newspaper Report

#### **STRUCTURE**

- APPROPRIATE TITLE
- VARIFTY OF FRAMEWORKS
- INTRODUCTION TO GENERALISE INFO
- DETAILED, RELEVANT INFORMATION
- USES SUB-HEADINGS WHERE APPROPRIATE
- INTERPRETS AND EXPANDS ON INFORMATION

#### **LANGUAGE**

- PRESENT TENSE
- SUBJECT SPECIFIC VOCABULARY
- FORMAL, OBJECTIVE STYLE-THIRD PERSON
- GENERIC TERMS, E.G. PEOPLE, VEHICLES
- LINKING VERBS, E.G. IS

#### PERSUASIVE PIECE OF WRITING

Eg: Advert, Catalogue, Pamphlet from organisation, Travel Brochure, Magazine Article, Poster/Flier, Book Blurb, Letter to the Editor

#### STRUCTURE

- OPENING STATEMENT INDICATING POINT OF VIEW AND APPEALING TO THE READER
- **FLATTFRY**
- REASONS LOGICALLY SET OUT WITH EVIDENCE TO BACK UP **ISSUES**
- **BARGAIN**
- **RESTATES ISSUE AND APPEALS TO READER**

#### **LANGUAGE**

- FIRST PERSON
- STYLE APPEALS TO AUDIENCE
- ADOPTS LANGUAGE OF PERSUASION, E.G. ALLITERATION
- CAUSAL LINKING WORDS E.G. THEREFORE, FURTHERMORE ETC

#### RECOUNT PIECE OF WRITING

Eg: Letter, Newspaper Report, Diary, Journal, Magazine Article, Biography, Write up of trip or activity, Non-Fiction

#### **STRUCTURE**

- INTRODUCTION: SETTING THE SCENE, INFORMS AND **INTERESTS**
- FULL RECOUNT TO ALLOW READER TO VISUALISE
- **TOPIC SENTENCES**
- **EVENTS ORDERED LOGICALLY**
- COMMENT TO ROUND OFF

#### **LANGUAGE**

- ADJECTIVES AND ADVERBS
- PAST TENSE
- **VARIETY OF VERBS**
- LINKING WORDS, E.G. LATER, EVENTUALLY

#### **EXPLANATION PIECE OF WRITING**

Eg: Encyclopaedia Entry, Articles, Leaflets, Non-Fiction Books, Technical Manual, How to work/assemble a toy etc

#### STRUCTURE

- STARTS WITH CLEAR STATEMENT
- INFORMATION ORGANISED TO MAKE EXPLANATION CLEAR
- LINKS CAUSE AND EFFECT
- SELECTS APPROPRIATE INFORMATION
- **LOGICAL SEQUENCE**

#### LANGUAGE

- PRESENT TENSE
- CAUSAL LINKING WORDS, E.G. AS A RESULT, THEN ETC
- SUBJECT SPECIFIC VOCABULARY WITH DEFINITION OF TERMS WHERE NEEDED

#### DISCUSSION/ARGUMENT PIECE OF WRITING

Eg: Leaflet/Article giving a balanced account of an issue, Newspaper Editorial, Non-Fiction book on Issue ie: Animal Testing, Write Up of a Debate

#### STRUCTURE

- STATEMENT OF ISSUE AND WRITER'S POSITION
- ARGUMENT=MOST POWERFUL ARGUMENTS FIRST
- DISCUSSION = ARGUMENTS FOR WITH SUPPORTING EVIDENCE AND ARGUMENTS AGAINST WITH SUPPORTING **EVIDENCE**
- CAN CONCEAL BIAS IN A DISCUSSION IF NEEDED
- **CONCLUSION WITH REASONS**

#### LANGUAGE

- PRESENT TENSE
- FIRST PERSON
- CAN BE OBJECTIVE IF APPROPRIATE
- STYLE APPEALS TO AUDIENCE
- LANGUAGE OF PERSUASION
- CAUSAL LINKING WORDS, E.G. IN FACT, THEREFORE

## **Outdoor Home Learning**

The National Trust UK have produced a list of 'must do' activities they would encourage every child to tick off before they are 11 ¾! How many will you manage?

As long as everyone in your family is fit and healthy, try and get out for some fun and fresh air every day!

## Merrylee Primary School Cross Curricular Home Learning

Try some of these ideas or the websites with your family!

## Merrylee Primary School Cross Curricular Home Learning

## Try some of these ideas or the websites with your family!

- Try to follow a recipe and bake something from a recipe book
- Use all of your building toys on one giant structure!
- Races of various kinds in the garden (hopping on one foot, crabwalk, walking backwards, etc.)
- Try stop motion animation with play dough
- Go Noodle! Great for guided movement, relaxation, etc.
- Fun with Board games, card games and Lego Have a board game tournament
- Learn to sew!
- Gardening weed and work the ground and even plant some seeds!
- Have a shadow show in the reading tent (you can use blankets over chairs or a table)
- Play with cornstarch and water and some simple action figures
- Collect some cardboard boxes and tape markers and use your imagination
- Pick your favourite song with a 20 second refrain or verse perfect for hand washing length of time
- Family Jigsaw puzzles. Ones that are 500-1000 pieces and a challenging but not frustrating picture
- Make your own games! Board games, card games, you name it!
- Any and all art is fun at home: beading, painting, drawing, play dough or kinetic sand, sewing, etc.
- Yoga There are child-friendly YouTube videos and printed cards with poses.
- Zumba or Dance-along videos on YouTube
- Draw self portraits on blank faces
- Colour code different interesting places on a map of your local area
- Scavenger hunts, indoor treasure hunts follow clues through the house to a "treasure" at the end and a lot of games of charades.
- Kitchen chemistry type science experiments that are easy to do, like making slime, baking soda and vinegar reaction, etc. Put food colouring under the baking soda in a mini muffin pan and used Pipette to drop vinegar in and then you can see the colour
- Glow stick party dance till you drop!
- Film Literacy have a popcorn + movie marathon
- Olympic Games children create events and competitions funny ones, helpful ones like cleaning and really fun ones like minute to win in style!
- Build a tent in the house with blankets and chairs.
- Do a study on planets, and then create your own planets- How big is it? Where in the universe is it located? Atmosphere conditions: Can it sustain life? How long is a day/year, name it, etc. You could even spread the planets out around the house to show "approx." distance from each other.
