

Parent Pre Selection

Guide to Ordering Meals via ParentPay

A - for those pupil's that have an agreed medical diet, their personal menu daily choices are not on the system. The pupil & their parents will continue to agree with catering what the pupil will eat from their menu. On the system there are only the choices to record a meal required, packed lunch, eating out of school, or a packed lunch for a school trip.

B - the school office will set-up trips on ParentPay, if parents should book a packed lunch for the trip (or the pupil can bring a packed lunch from home), this should be pre-ordered.

C - once live, parents can pre-order meals up to 4-weeks in advance. Meals cannot be booked on holidays, no menu choices will be visible on these days. Meals can be selected until 08.30am for each day.

Step 1 – Log on to your ParentPay account. Click on the 'Make Meal Bookings' box under the child you would like to book meals for

If you would like to view the pre-selections you have made, you will need to go back through Step 1 & 2 to reach the menu screen. You will see an option to 'Download Meal Selection Report', click this option and open the downloaded PDF file. This will show you all selections you have made for your child over the coming weeks. You can print this out and stick it on your fridge to remind yourself/your child what meal choice they are having on each day.
