

MOUNT FLORIDA PRIMARY PARENT PARTNERSHIP NEWSLETTER

We hope you are keeping well during these trying times. We wanted to let you know what we have been up to for the last couple of months. But first, here is what's coming up.

Parent café

We are delighted to say that parent café will be coming back on Wednesday 2nd December on Zoom. The virtual café will open at 9:30am and you can join whenever you like and leave whenever you like. Just email mfppp@hotmail.co.uk for the link. You don't need a Zoom account to join in, just click the link we send you. There is no obligation to have your video on either if that makes you uncomfortable. So bring a cup of tea or coffee and definitely cake and biscuits to meet and chat to other parents and carers.

Christmas

Obviously we can't have our usual Christmas Fayre but we have moved it online. If you or someone in your family is a crafter / maker / owns a small business, please get in touch if you'd like to join in our virtual fayre on 5th / 6th December. You'll be able to showcase and sell your items on our Parent Partnership Facebook page. Email mfppp@hotmail.co.uk for further details. That weekend we will also be holding competitions for our Festive Bake Off, Best Dressed Tree, Best Christmas Cracker Joke and a Christmas Quiz. Please keep an eye on our Facebook page - Mount Florida Primary Parent Partnership. If you do not have Facebook, please email photos of your bake off creations, tree and cracker jokes to mfppp@hotmail.co.uk. These pictures will be placed on our social media so please make sure you or your children are not in the photos if you do not wish to be seen.

MFPPP meetings

In our meetings we have been discussing road safety around the school. There is going to be a city wide collaboration headed by Glasgow City Parents Group to raise awareness, along with Police Scotland and the council. If you have concerns about the road safety around the school, please get in touch or report incidents directly to Police Scotland / the council. The more reports, the more likely something can be done. We'd also like to remind those of you that drive to

school to please be considerate when parking and that the wide pavement around the school should not be used for parking.

We have also been discussing the breakfast / lunch offerings that are provided by Cordia. We will be looking for your views on this at some point regarding cost, quality etc.

We have also looked at the cost of a school day and will share more details of that soon.

Another item that has been on the agenda has been parental engagement. We want to know what you'd like to see from your Parent Partnership? What issues would you like us to look at? How should we be communicating with you? What can we do better? Please let us know at mfppp@hotmail.co.uk

We have had official notice of the funds we applied for being released so the school can buy some outdoor learning equipment - looking forward to seeing it in the playground!

Our next virtual meeting will be in January, we would love you to join us!
