

10 January 2018

Dear Parent/Carer,

### **S2 Personalisation and Choice Programme – Information Evening**

In the coming weeks your daughter will participate in our personalisation and choice programme. This programme aims to assist pupils in making choices for their courses in S3 and S4. Some of the key features include:

- Careers information and the use of web-based career packages
- Personalisation and Choice Handbook
- Individual interview with senior staff
- Glasgow University skills and careers focused sessions on Monday 15 January.

We would be delighted if you could join us for our annual **S2 Parents' Information Evening** on **Wednesday 24 January between 6.30pm and 7.30pm**. At this event you will be given a copy of the Personalisation and Choice handbook and we will outline the choices that are available to your daughter in S3 and S4. As part of the evening we will explain the dynamics of the new National 4 and National 5 qualifications and will be happy to answer any questions that you may have.

The S2 interviews with their Pastoral Care teachers and Senior Leaders will start from the 29 January.

Yours sincerely,

*A. Loch*

Mrs A. Loch  
Acting Depute S3
