1. Our Vision, Values and Aims
<p style="text-align: center;">Vision</p> <p>We are Notre Dame, a Catholic High School, welcoming those from all faiths and backgrounds. We provide the highest quality education and support in a community which is inspired by our Foundress, St. Julie Billiart.</p> <p style="text-align: center;">Values</p> <p>Through the love and compassion of our good God, we nurture growth and enrich the lives of our young people. By displaying mutual trust, respect and tolerance, all pupils are treated equally and with fairness, creating a community where everyone is encouraged to realise their God-given talents.</p>

1. Our Vision, Values and Aims

Aims

Staff, pupils, parents and partners work together to achieve the following:

- To benefit herself, her family and society, each individual will be provided with what she needs to realise her full potential in;
 - academic studies
 - wider achievement opportunities
 - spiritual, emotional and physical wellbeing
- Staff are provided with the tools and skills to carry out our vision
- Each pupil will make a positive contribution to society, both now, and in the future
- All young people will reach their planned destination beyond school, meeting their individual goals and aspirations.

2. Summary of our self-evaluation process.

The processes around our school's approach to self-evaluation is centred around our Supporting Improvement Calendar. This highlights a range of self-evaluation activities, including those highlighted below, which take place throughout the academic year and involve all stakeholders.

In addition, this year, we held our first Improvement Planning Conference. As well as an invitation to parents, all pupils and staff visited the pupil-led "stalls" which focused on different aspects of our evidence - school data, observations and opinion. All visitors were invited to make comment and identify action points at each. These outcomes have been used to set our priorities for session 2019/2020.
