

Notre dame high school
welcome to Religious education 🙏🙏

Learning intentions

- I will learn some facts about Religious Education at Notre Dame High School.
- I will understand more about my own faith and the faiths of others.
- I will carry out some research on a charitable organisation.

Success criteria

- To be successful I will :-
- Be able to share some facts about RE at NDHS.
- Know more about my own faith and the faiths of others
- Successfully carry out research on a charitable organisation.

Hello

- Greetings!
- Shalom!
- As-Salam-u-Alaikum!
- Namaste!
- Sat Sri Akaal!

- Notre Dame is a Catholic High School which welcomes people from all faiths and backgrounds. We are called a denominational school.
- Your task
 - 1. Find out the meanings of Catholic and denominational.
 - 2. What language is “Notre Dame”? What does it mean?

- Do you have a faith?
- What is your religion called?
- Your task
- Give 3 facts about your religion e.g. Who is its founder?
What is the name of the building you worship in? What is
your Holy Book called? Where did you learn about your
religion?

Re and other subjects

- RE is linked to so many subjects at High School.
- How could RE help me in my literacy skills in English? 📖📖
- Can you think of any ways in which RE could be linked to a person's health and wellbeing? 😊❤️
- History and geography are all about people's stories and environments. How could RE help us in our understanding in these subjects? 🌍
- Science looks at the wonders of our amazing universe. How do you think RE could be linked to science? 🤔 🤔

Re and drama

- Imagine being able to study RE through drama.
- Every year, during Lent, our school youth team stages the Stations of the Cross.
- This group of pupils (normally in S1 or S2) leads the whole school community through the dramatisation of Jesus' very sad journey to Calvary.
- Your task
- Google the Stations of the Cross. Look at the photos which follow on the next two slides and try to work out which Stations are being represented. 

Finally, in every faith we know that many great works are done to help people in need. Choose one of these organisations and research six facts about it. 🖐️🖐️
