

# Art and Design Miss Catena

## Drawing Tasks:

1. Complete your cross-hatching tonal scales, you should have one in pencil and one in pen. Here is an example:

2. Draw out ONE of the images below and add cross-hatching as a way of building up tone in the image. Here is an example:

Photos to draw from:

3. Find examples of cross-hatching artwork online and look at the way the artist has used the cross-hatching techniques to build up a variety of dark and light tonal values.
