

# MAIN COURSE

At the start of **every term**, you will select a new **main course**. You will work on that course **throughout that term** and will **demonstrate** to the class your findings at the end of that term. If you complete the course early, you may pick a **side to do as a fun task** until we are all ready to share what we have learned.

## PHYSICAL THEATRE

This delightful dish is best shared. You will learn about what Physical Theatre is and will demonstrate this to an audience.

MINIMUM PARTICIPANTS: 2

## HAIR & MAKE-UP

This lovely taster will give you a flavour of what it's like to be a theatrical hair & make-up designer. You will get a chance to try out make-up and apply this to actors.

MINIMUM PARTICIPANTS: 1

## LIGHTING

Lights, camera, action! If you're interested in getting the right look and feel then this one is for you! You will learn about the different types of lights and will bring this to life on stage.

MINIMUM PARTICIPANTS: 1

## CHARACTERISATION

This one is for the actors out there! If you want to know more about how to use voice and movement and learn how to create more in depth characters then this one is for you!

MINIMUM PARTICIPANTS: 2

## MIME

SILENCE!!! That's right you'll need to be quiet for this one. You'll learn about how to use your movement to communicate mime to an audience.

MINIMUM PARTICIPANTS: 2

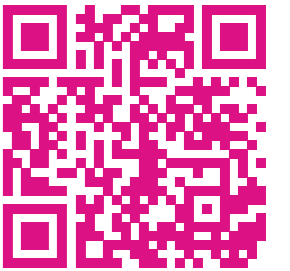

## SET DESIGN

This is your chance to create a set. You learn about how to draw ground plans and design concepts and will build your own model set. How cool is that!

MINIMUM PARTICIPANTS: 1

## DEVISING THEATRE

Now this one will test you. You will need to build an understanding of what devising theatre is and will put on a performance to an audience.

MINIMUM PARTICIPANTS: 4

## SOUND

This one is sure to hit right note with some of you! You'll get the chance to create sounds for a performance and will learn all about the sound equipment and what it is used for.

MINIMUM PARTICIPANTS: 1

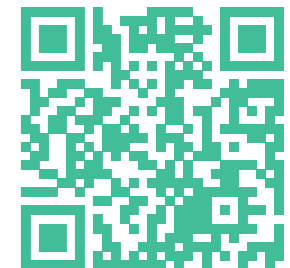

## COSTUME

With this one you'll get to develop costume ideas and will even get to create costume, if you have time!

MINIMUM PARTICIPANTS: 1

## SCRIPTWRITING

Ever wanted to be able to write your very own script? Well this course will set you up on your merry way! Not only will you learn how to write a script but you'll get the chance to let others act it out!

MINIMUM PARTICIPANTS: 1
