Thank you for your interest in our school.

This evening provides an opportunity for you and your son/daughter to visit our school and gain a greater understanding of our Notre Dame community.

You will hear from our Head Teacher, Mrs Martin, and Mrs Hamilton, DHT, whose role involves primary transition. As well as a guided tour of our facilities, you will have the opportunity to meet staff and pupils, whilst our younger guests get to enjoy some fun activities.

We look forward to meeting you.
