We ask that classes with PE at 9am come to school wearing their PE Kit and have a change of clothes in their bag to change into when PE is finished. After PE sessions, children are encouraged to change for hygiene reasons. Please support us with this if you can.

Classes with PE first thing:

P6a Monday
P7a Tuesday
P2a Tuesday
P5b Wednesday
P4b Thursday

Classes who have PE at the end of the day can wear their PE kit home (weather dependent).

MUGA slots are outside so please ensure your child has a cardigan, jumper or fleece to wear on these days.

Education Services guidance is contained within the PE Code of Practice and is applicable to all schools in relation to the wearing of jewellery during curricular PE activities. Education Services PE Code of Practice.
