Head Teacher's Message

We are delighted to welcome Mrs Watt to Parkview as our new DHT. Mrs Watt has been getting to know all of the children and families and making a positive impact on the achievement, well-being, and inclusion of our children.

The Parkview Way

We are currently evaluating our school values, discussing what really matters to us and how our values can positively affect the life and ethos of the Parkview school community.

All voices in this consultation matter, helping us define **The Parkview Way** whilst strengthening our sense of belonging and continuous improvement

I would appreciate if you could take 5 minutes to answer a few questions; this can be accessed by following the link, or scanning the QR code.

Attendance and Late Comings

At Parkview, your child's education and well-being is at the heart of everything that we do. Regular and consistent attendance is vital in supporting achievement and attainment in all curricular subjects, whilst also ensuring a strong sense of well-being and belonging.

As a school community, we are always looking to improve and provide the best for our learners.

If you are worried or have a concern regarding your child's attendance, please don't hesitate to contact either myself or Mrs Watt – we are here to support in maximising the experiences and attendance of all our learners.

Parent Council – We Need Your Support

Our Parent Council continues to be a fantastic opportunity to share your views and gain a deeper understanding of Parkview. The Parent Council is a very welcoming space with a group of parents that are always finding different ways to help support and provide for our children.

We would love if you were able to come and join us at our next meeting and offer your support to the school and children.

The next meeting is scheduled for **Wednesday 6th December, 2023**

Parent Council Dates

Wednesday 6th December

*All meetings at 6pm at Parkview,
children can attend if needed.*

Pantry in the Porch

Further to my previous correspondence regarding the success story of our '[Pantry in the Porch](#)', I am thrilled to share with you that the Parkview Parent Council Project has been awarded with a **commendation** at the upcoming **75 Years of Parental Engagement in Education Ceremony**, held at the **Scottish Parliament**. As a community, we are absolutely delighted with the recognition and I wish to thank and congratulate each and every member of the Parent Council and School for making a difference to the Parkview and Summerston community.

Showcase of Learning – 'Me and My Wider World'

In Term 1 and Term 2, pupils are learning about themselves and their place in the wider-world. This is an opportunity for pupils to explore their skills in research, critical thinking, and creativity. Each class will be exploring a Social Subject that is relevant to them, gaining an understanding of the world around them.

We look forward to inviting you all into Parkview on the afternoon of **Friday 1st December** to celebrate the learning with your child(ren). I will send out further details as the time approaches.

No Car Zone

I would like to remind parents and carers that the safety of our pupils and families is important, especially around drop-off and pick-up times.

The driveway into the school is a **no car zone from 8:30am to 9:15am and 2:30pm and 3:15pm**. Can I kindly ask that all cars do not enter the drive/carpark at these times; ASDA carpark is available to allow you to walk your child(ren) to school. Thank-you.

Uniform – The Parkview Way

Uniform is an important element of our school ethos, fostering a sense of belonging and community among the pupils. If you require any items, or further support with uniform, please don't hesitate to contact the school.

We have observed an increase in Football jerseys being worn at school, I would appreciate if pupils did not wear football colours whilst at school, thank-you.
