

Education Services PECOP Risk Assessments

* Tolerable here means that the risk has been reduced to the lowest level that is reasonably practicable.

Subject Reference Number	List of Subjects (Activity, process, location etc.)
1a-e	Athletics a) outdoors running b) outdoors throwing c) outdoors jumping d) indoors e) cross country
2	Badminton
3	Basketball
4	Cricket
5	Dance
6	Dodgeball
7 a-c	Fitness a) aerobics, keep fit b) circuit training c) weight training
8	Football
9	Golf
10	Gymnastics
11	Handball
12 a-b	Hockey a) field b) indoor and unihoc
13	Netball

14	Orienteering
15	Rugby
16	Softball including rounders and baseball
17	Table Tennis
18	Tennis including short tennis
19	Trampolining
20	Swimming including lifesaving and personal survival
21	Volleyball

Part 2: RECORD OF RISK ASSESSMENT

Subject Reference Number	Hazard Reference Number	Hazard Description (eg potential causes of injury/damage)	Potential injury/damage	Persons at risk	Current preventative and protective measures (more detail on training in Part 3, more detail on PPE in Part 4)	Risk Rating	Further action required
1a. Athletics: Outdoors (running)	1.	Work environment Slip, trip, fall. Weather conditions. Member of public. Animals	Fractures, cuts, bruises, muscle strains, hypothermia, sun burn, concussion, bites from animals, infections, verbal and physical abuse.	Participants, Teachers, Supervisors and Support staff.	Refer to current Code of Practice, Section 7 H&S Management Standards - - Incident Reporting & Investigation - Workplace Welfare - First Aid and Medical Attention - Violence at work - Managing Distressing, Challenging and Violent Behaviour Sun safety information	Tolerable	Ensure First Aid appointed Person is maintained. Monitor Control Procedures.
	2.	Equipment Starting blocks, Hurdles, relay batons	Fractures, cuts, bruises, muscle strains, concussion	Participants	Refer to current Code of Practice, Section 7. H&S Management Standards – - Manual Handling - Incident Reporting and Investigation - Work Equipment	Moderate	Manual Handling Risk Assessment Training. Manual Handling Technique Training. Monitor Control Procedures
	3.	Warm up/cool down Slip, trip, fall	Fractures, cuts, bruises, muscle strains, concussion	Participants	Refer to current Code of Practice, Section 7. H&S Management Standards – - Incident Reporting and Investigation - First Aid and Medical Attention	Tolerable	Ensure First Aid appointed person is maintained. Monitor Control Procedures

	4.	Activity Specific Slip, trip, fall	Fractures, cuts, bruises, muscle strains, concussion	Participants	Refer to current Code of Practice, Section 7. H&S Management Standards – - Incident Reporting and Investigation - First Aid and Medical Attention - Workplace Welfare	Tolerable	Ensure First Aid appointed person is maintained Monitor Control Procedures
	5.	Classroom Organisation Unsuitable clothing/ Footwear. Wearing jewellery. Eating, Challenging behaviours	Fractures, cuts, bruises, muscle strain. Choking, fatality, verbal and physical abuse	Participants/Staff	Refer to current Code of Practice, Section 7. H&S Management Standards – - Incident Reporting and Investigation - First Aid and Medical Attention - Violence at work - Managing Distressing, Challenging and Violent Behaviour	Tolerable	Ensure First Aid appointed person is maintained. Refer to pupils personal risk assessment Monitor Control Procedures

Subject Reference Number	Hazard Reference Number	Hazard Description (eg potential causes of injury/damage)	Potential injury/damage	Persons at risk	Current preventative and protective measures (more detail on training in Part 3, more detail on PPE in Part 4)	Risk Rating (BS 8800)	Further action required
1b. Athletics: Throwing outdoors	1.	Work environment Slip, trip, fall. Weather conditions. Member of public. Animals	Fractures, cuts, bruises, muscle strains, hypothermia, sun burn, concussion, bites from animals, infections, verbal and physical abuse.	Participants, Teachers, Supervisors and Support staff.	Refer to current Code of Practice, Section 7 H&S Management Standards - - Incident Reporting & Investigation - Workplace Welfare - First Aid and Medical Attention - Violence at work - Managing Distressing, Challenging and Violent Behaviour Sun safety information	Tolerable	Ensure First Aid appointed Person is maintained. Monitor Control Procedures.
	2.	Equipment Shotput, discus, javelin, hammer	Fractures, cuts, bruises, muscle strains, fatality	Participants, Teaches, Supervisors and Support Staff.	Refer to current Code of Practice, Section 7. H&S Management Standards – - Manual Handling - Incident Reporting and Investigation - Work Equipment	Moderate	Manual Handling Risk Assessment Training. Manual Handling Technique Training Monitor Control Procedures
	3.	Warm up/cool down Slip, trip, fall	Fractures, cuts, bruises, muscle strains, concussion	Participants, Teachers, Supervisors and Support Staff	Refer to current Code of Practice, Section 7. H&S Management Standards – - Incident Reporting and Investigation - First Aid and Medical Attention - Workplace Welfare	Tolerable	Ensure First Aid appointed person is maintained. Monitor Control Procedures.
	4.	Activity Specific Slip, trip, fall	Fractures, cuts, bruises, concussion	Participants	Refer to current Code of Practice, Section 7. H&S Management Standards – - Incident Reporting and Investigation - First Aid and Medical Attention - Workplace Welfare	Tolerable	Ensure First Aid appointed person is maintained.

	5.	Classroom Organisation Unsuitable clothing/ Footwear. Wearing jewellery. Eating, Challenging behaviours	Fractures, cuts, bruises Choking, fatality, physical and verbal abuse	Participants/Staff	Refer to current Code of Practice, Section 7. H&S Management Standards – - Incident Reporting and Investigation - First Aid and Medical Attention - Workplace Welfare - Violence at work - Managing Distressing, Challenging and Violent Behaviour	Tolerable	Ensure First Aid appointed person is maintained. Reffer to pupils personal risk assessment Monitor Control Procedures.

1e. Cross-country running	1.	Work environment Slip, trip, fall. Weather conditions. Member of public. Animals	Fractures, cuts, bruises, muscle strains, hypothermia, sun burn, concussion, bites from animals, infections, verbal and physical abuse.	Participants, Teachers, Supervisors and Support staff.	Refer to current Code of Practice, Section 7 H&S Management Standards - - Incident Reporting & Investigation - Workplace Welfare - First Aid and Medical Attention - Violence at work - Managing Distressing, Challenging and Violent Behaviour Sun safety information	Tolerable	Ensure First Aid appointed person is maintained. Monitor Control Procedures.
	2.	Equipment Cones, marker tape, finish area. Defects	Fractures, cuts, bruises	Participants, Teachers, Supervisors and Support staff.	Refer to current Code of Practice, Section 7. H&S Management Standards – - Manual Handling - Incident Reporting and Investigation - Work equipment	Moderate	Ensure First Aid appointed person is maintained. Manual Handling Risk Assessment Training. Manual Handling Technique Training Monitor Control Procedures.
	3.	Warm up/cool down Slip, trip, fall	Fractures, cuts, bruises, muscle strains, sprains, concussion	Participants and Teachers	Refer to current Code of Practice, Section 7. H&S Management Standards – - Incident Reporting and Investigation - First Aid and Medical Attention - Workplace Welfare	Tolerable	Ensure First Aid appointed person is maintained. Monitor Control Procedures
	4.	Activity Specific	Fractures, cuts, bruises,	Participants and Teachers	Refer to current Code of Practice, Section 7.	Tolerable	Ensure First Aid appointed person is maintained.

		Slip, trip, fall, weather conditions, terrain	hypothermia, sun burn, exhaustion		H&S Management Standards – <ul style="list-style-type: none"> - Incident Reporting and Investigation - First Aid and Medical Attention - Workplace Welfare 		Monitor Control Procedures
	5.	Classroom Organisation Unsuitable clothing/ Footwear. Wearing jewellery Eating, Challenging Behaviours	Fractures, cuts, bruises, Choking, fatality, physical and verbal abuse	Participants/ Staff	Refer to current Code of Practice, Section 7. H&S Management Standards – <ul style="list-style-type: none"> - Incident Reporting and Investigation - First Aid and Medical Attention - Violence at work - Managing Distressing, Challenging and Violent Behaviour 	Tolerable	Ensure First Aid appointed person in maintained. Refer to pupils personal risk assessment Monitor Control Procedures.

Subject Reference Number	Hazard Reference Number	Hazard Description (eg potential causes of injury/damage)	Potential injury/damage	Persons at risk	Current preventative and protective measures (more detail on training in Part 3, more detail on PPE in Part 4)	Risk Rating (BS 8800)	Further action required
2. Badminton	1.	Work environment Floor, (Slip, trip, fall)	Fractures, cuts, bruises, muscle strains, concussion.	Participants, Teachers, Supervisors and Support staff.	Refer to current Code of Practice, Section 3 H&S Management Standards - - Incident Reporting & Investigation - Workplace Welfare - First Aid and Medical Attention - Violence at work - Managing Distressing, Challenging and Violent Behaviour	Tolerable	Ensure First Aid appointed Person is maintained. Monitor Control Procedures.
	2.	Equipment Posts. (Crushing, impact injuries whilst manoeuvring into position). Rackets/shuttlecocks/ Nets (Impact injuries)	Crushing to hands and feet. Fractures, cuts, bruises impact injuries	Teachers, Supervisors and Support staff.	Refer to current Code of Practice, Section 7 H&S Management Standards – - Manual Handling - Incident Reporting and Investigation - First Aid and Medical Attention - Work equipment Annual equipment inspection and maintenance programme	Moderate	Manual Handling Risk Assessment Training. Manual Handling Technique Training Ensure First Aid appointed person is maintained. Monitor Control Procedures
	3.	Warm up/cool down (Body not prepared for strenuous work)	Fractures, cuts, bruises, muscle strains, ankle and foot strains	Participants, Teachers	Refer to current Code of Practice, Section 2 and 6. H&S Management Standards - - Incident Reporting & Investigation - First Aid and Medical Attention	Tolerable	Ensure First Aid appointed person is maintained. Monitor Control Procedures
	4.	Activity Specific Slip, trip, fall Impact injuries	Fractures to fingers, hands, ankles and feet. Muscle strains.	Participants, Teachers, Supervisors and Support staff	Refer to current Code of Practice, Section 3. H&S Management Standards - - Incident Reporting & Investigation - First Aid and Medical Attention - Workplace Welfare	Tolerable	Ensure First Aid appointed person is maintained. Monitor Control Procedures

			Bruising and sprains				
	5.	Classroom Organisation Unsuitable clothing/ Footwear. Wearing jewellery Eating, Challenging Behaviours	Fractures, cuts, bruises, choking, physical and verbal abuse	Participants/ Staff	Refer to current Code of Practice, Section 2. H&S Management Standards - - Incident Reporting & Investigation - First Aid and Medical Attention - Violence at work - Managing Distressing, Challenging and Violent Behaviour	Tolerable	Ensure First Aid appointed person in maintained. Refer to pupils personal risk assessment Monitor Control Procedures.

Subject Reference Number	Hazard Reference Number	Hazard Description (eg potential causes of injury/damage)	Potential injury/damage	Persons at risk	Current preventative and protective measures (more detail on training in Part 3, more detail on PPE in Part 4)	Risk Rating	Further action required
3. Basketball	1.	Work environment Floor (Slip, trip, fall, collision). Weather conditions Member of public Animals (if outdoors)	Fractures, cuts, bruises, muscle strains, sun burn hypothermia, concussion, bites from animals, infections, verbal and physical abuse.	Participants, Teachers, Supervisors and Support staff.	Refer to current Code of Practice, Section 7 H&S Management Standards - - Incident Reporting & Investigation - Workplace Welfare - First Aid and Medical Attention - Violence at work - Managing Distressing, Challenging and Violent Behaviour Sun safety information (if outside)	Tolerable	Ensure First Aid appointed Person is maintained. Monitor Control Procedures.
	2.	Equipment Posts. (Crushing impact whilst manoeuvring into position) Balls (Impact injuries) Bibs (Choking)	Manual handling injuries. Fractures, cuts, bruises, concussion, muscle strains and sprains	Participants, Teachers, Supervisors and Support staff.	Refer to current Code of Practice, Section 2, 4 and 3.2. H&S Management Standards - - Incident Reporting & Investigation - Workplace Welfare - First Aid and Medical Attention - Work equipment - Manual Handling Annual inspection & maintenance programme	Moderate	Manual Handling Risk Assessment Training. Manual Handling Technique Training required. Ensure First Aid appointed person is maintained. Monitor Control Procedures.
	3.	Warm up/cool down (Body not prepared for strenuous work)	Fractures, bruising, muscle strains and sprains, concussion	Participants, Teachers.	Refer to current Code of Practice, Section 2, 4. H&S Management Standards - - Incident Reporting & Investigation - First Aid and Medical Attention	Tolerable	Ensure First Aid appointed person is maintained. Monitor Control Procedures

	4.	Activity Specific Slip, trip, fall Impact injuries	Muscle strains / sprains, concussion, Fractures, cuts and bruises	Participants	Refer to current Code of Practice, Section 2 and 3. H&S Management Standards - - Incident Reporting & Investigation - Workplace Welfare - First Aid and Medical Attention	Tolerable	Ensure First Aid appointed person is maintained. Monitor Control Procedures
	5.	Classroom Organisation Unsuitable clothing/ Footwear. Wearing jewellery Eating, Challenging Behaviours	Fractures, cuts, bruises, strains sprains, choking concussion. Fatality, physical and verbal abuse	Participants, Teachers, Supervisors and Support staff	Refer to current Code of Practice, Section 2. H&S Management Standards - - Incident Reporting & Investigation - Workplace Welfare - First Aid and Medical Attention - Violence at work - Managing Distressing, Challenging and Violent Behaviour	Tolerable	Ensure First Aid appointed person in maintained. Refer to pupils personal risk assessment Monitor Control Procedures.

Subject Reference Number	Hazard Reference Number	Hazard Description (eg potential causes of injury/damage)	Potential injury/damage	Persons at risk	Current preventative and protective measures (more detail on training in Part 3, more detail on PPE in Part 4)	Risk Rating (BS 8800)	Further action required
4. Cricket	1.	Work environment Slip, trip, fall. Weather conditions. Member of public. Animals	Fractures, cuts, bruises, muscle strains, sunburn, hypothermia, concussion, bites from animals, infections, verbal and physical abuse.	Participants, Teachers, Supervisors and Support staff.	Refer to current Code of Practice, Section 7 H&S Management Standards - - Incident Reporting & Investigation - Workplace Welfare - First Aid and Medical Attention - Managing Distressing, Challenging and Violent Behaviour Sun safety information	Tolerable	Ensure First Aid appointed Person is maintained. Monitor Control Procedures.
	2.	Equipment Bats, balls, wickets, nets, helmets, gloves, pads	Fractures, cuts, bruises, concussion Impact / Entanglement	Participants, Teachers, Supervisors and Support staff.	Refer to current Code of Practice, Section 2 & 4 H&S Management Standards - - Incident Reporting & Investigation - Workplace Welfare - First Aid and Medical Attention - Work Equipment	Moderate	Ensure First Aid appointed person is maintained. Manual Handling Risk Assessment Training. Manual Handling Technique Training required Monitor Control Procedures
	3.	Warm up/cool down Slip, trip, fall	Fractures, cuts, bruises, muscle strains, sprains, concussion	Participants, Teachers,	Refer to current Code of Practice, Section 2. H&S Management Standards - - Incident Reporting & Investigation - Workplace Welfare - First Aid and Medical Attention	Tolerable	Ensure First Aid appointed person is maintained. Monitor Control Procedures
	4.	Activity Specific Slip, trip, fall, head injuries, hand injuries	Fractures, cuts, bruises, muscle strains, sprains, concussion, collision injuries	Participants, Teachers and Spectators	Refer to current Code of Practice, Section 2 & 4 H&S Management Standards - - Incident Reporting & Investigation - Workplace Welfare - First Aid and Medical Attention	Tolerable	Ensure First Aid appointed person is maintained. Monitor Control Procedures

					All pupils taking part in batting or standing up to the stumps must wear a helmet when a hard ball is being used.		
	5.	Classroom Organisation Unsuitable clothing/ Footwear. Wearing jewellery. Eating, Challenging Behaviours	Fractures, cuts, bruises, Concussion. Choking, physical and verbal abuse	Participants/ Staff	Refer to current Code of Practice, Section 2 & 4 H&S Management Standards - - Incident Reporting & Investigation - Workplace Welfare - First Aid and Medical Attention - Violence at work - Managing Distressing, Challenging and Violent Behaviour	Tolerable	Ensure First Aid appointed person in maintained. Refer to pupils personal risk assessment Monitor Control Procedures.

Subject Reference Number	Hazard Reference Number	Hazard Description (eg potential causes of injury/damage)	Potential injury/damage	Persons at risk	Current preventative and protective measures (more detail on training in Part 3, more detail on PPE in Part 4)	Risk Rating (BS 8800)	Further action required
5. Dance	1.	Work environment Floor. (Slip, trip, fall)	Fractures, cuts, bruises, muscle strains, concussion.	Participants, Teachers, Supervisors and Support staff.	Refer to current Code of Practice, Section 3 H&S Management Standards - - Incident Reporting & Investigation - Workplace Welfare - First Aid and Medical Attention	Tolerable	Ensure First Aid appointed Person is maintained. Monitor Control Procedures.
	2.	Equipment Electrical – CD/Tape Players Percussion	Electric shock Cuts, bruises	Participants, Teachers, Supervisors and Support staff.	Refer to current Code of Practice, Section 3.2 and 6.5 and 14. H&S Management Standards - - Electricity - Manual Handling - Incident Reporting & Investigation - First Aid and Medical Attention Annual inspection and maintenance of equipment	Moderate	Manual Handling Risk Assessment Training. Manual Handling Technique Training Monitor Control Procedures
	3.	Warm up/cool down Slip, trip, fall, collision	Fractures, cuts, bruises, muscle strains, concussion and sprains	Participants and Teachers	Refer to current Code of Practice, Section 2 & 3 H&S Management Standards - - Incident Reporting & Investigation - Workplace Welfare - First Aid and Medical Attention	Tolerable	Ensure First Aid appointed person is maintained. Monitor Control Procedures
	4.	Activity Specific Slip, trip, fall, collision	Fractures, cuts, bruises, muscle strains, concussion	Participants	Refer to current Code of Practice, Section 2.2, 5 and 6. H&S Management Standards - - Incident Reporting & Investigation	Tolerable	Ensure First Aid appointed person is maintained. Monitor Control Procedures

					<ul style="list-style-type: none"> - First Aid and Medical Attention - Workplace Welfare 		
	5.	Classroom Organisation Unsuitable clothing/ Footwear. Wearing jewellery Eating, Challenging behaviours	Fractures, cuts, bruises, Choking, fatality, physical and verbal abuse	Participants/ Staff	Refer to current Code of Practice, Section 2. H&S Management Standards - <ul style="list-style-type: none"> - Incident Reporting & Investigation - Workplace Welfare - First Aid and Medical Attention - Managing Distressing, Challenging and Violent Behaviour 	Tolerable	Ensure First Aid appointed person in maintained. Refer to pupils personal risk assessment Monitor Control Procedures.

Subject Reference Number	Hazard Reference Number	Hazard Description (eg potential causes of injury/damage)	Potential injury/damage	Persons at risk	Current preventative and protective measures (more detail on training in Part 3, more detail on PPE in Part 4)	Risk Rating	Further action required
6. Dodgeball	1.	Work environment Slip, trip, fall Weather conditions Member of public Animals	Fractures, cuts, bruises, muscle strains, sun burn hypothermia, concussion, bites from animals, infections, verbal and physical abuse	Participants, Teachers, Supervisors and Support staff.	Refer to current Code of Practice, Section 2, 3 and 4 H&S Management Standards - - Incident Reporting & Investigation - Workplace Welfare - First Aid and Medical Attention - Violence Sun safety information (if outside) Inspection and maintenance of pitches	Tolerable	Ensure First Aid appointed Person is maintained. Monitor Control Procedures.
	2.	Equipment Balls	Fractures, cuts, bruises, concussion	Participants	Refer to current Code of Practice, Section 1, 2, 3 and 4. H&S Management Standards - - Incident Reporting & Investigation - First Aid and Medical Attention - Manual Handling - Work Equipment	Moderate	Ensure First Aid appointed person is maintained. Manual Handling Risk Assessment Training. Manual Handling techniques training. Monitor Control Procedures
	3.	Warm up/cool down Slip, trip, fall	Fractures, cuts, bruises, muscle strains, sprains, concussion	Participants	H&S Management Standards - - Incident Reporting & Investigation - First Aid and Medical Attention - Workplace Welfare	Tolerable	Ensure First Aid appointed person is maintained. Monitor Control Procedures
	4.	Activity Specific	Fractures, cuts, bruises, muscle	Participants	Refer to current Code of Practice, Section 2.	Tolerable	Ensure First Aid appointed person is maintained.

		Slip, trip, fall	strains, sprains, concussion		H&S Management Standards - <ul style="list-style-type: none"> - Incident Reporting & Investigation - First Aid and Medical Attention - Workplace Welfare 		Monitor Control Procedures
	5.	Classroom Organisation Unsuitable clothing/ Footwear. Wearing jewellery Eating, challenging behaviours	Fractures, sprains, strains, cuts, bruises, concussion, abrasion, Choking, fatality, physical and verbal abuse	Participants/ Staff	Refer to current Code of Practice, Section 2. H&S Management Standards - <ul style="list-style-type: none"> - Incident Reporting & Investigation - First Aid and Medical Attention - Workplace Welfare - Managing Distressing, Challenging and Violent Behaviour 	Tolerable	Ensure First Aid appointed person in maintained. Refer to pupils personal risk assessment Monitor Control Procedures.

Subject Reference Number	Hazard Reference Number	Hazard Description (eg potential causes of injury/damage)	Potential injury/damage	Persons at risk	Current preventative and protective measures (more detail on training in Part 3, more detail on PPE in Part 4)	Risk Rating	Further action required
7. Fitness/ Aerobics and Keep Fit	1.	Work environment Slip, trip, fall. collisions, impact injuries	Fractures, cuts, bruises, muscle strains.	Participants, Teachers, Supervisors and Support staff.	Refer to current Code of Practice, Section 2 H&S Management Standards - - Incident Reporting & Investigation - First Aid and Medical Attention - Workplace Welfare	Tolerable	Ensure First Aid appointed Person is maintained. Monitor Control Procedures.
	2.	Equipment Mats, Electrical – CD/Tape players. Small apparatus eg Ropes, balls, steps, wrist and ankle weights	Fractures, cuts, bruises, muscle strains. Electric shock	Participants, Teachers, Supervisors and Support staff.	Refer to current Code of Practice, Section 2, 3 and 14. H&S Management Standards - - Incident Reporting & Investigation - First Aid and Medical Attention - Manual Handling - Electricity - Work Equipment	Moderate	Ensure First Aid appointed person is maintained. Manual Handling Risk Assessment Training. Manual Handling techniques training. Monitor Control Procedures
	3.	Warm up/cool down Slip, trip, fall	Fractures, cuts, bruises, concussions, muscle strains and sprains	Participants	Refer to current Code of Practice, Section 2. H&S Management Standards - - Incident Reporting & Investigation - First Aid and Medical Attention - Workplace Welfare	Tolerable	Ensure First Aid appointed person is maintained. Monitor Control Procedures
	4.	Activity Specific Slip, trip, fall, collisions	Sprains, strains, bruises	Participants and Teachers	Refer to current Code of Practice, Section 2 & 3 H&S Management Standards - - Incident Reporting & Investigation - First Aid and Medical Attention	Tolerable	Ensure First Aid appointed person is maintained. Monitor Control Procedures

					- Workplace Welfare		
	5.	Classroom Organisation Unsuitable clothing/ Footwear. Wearing jewellery, Eating, Challenging Behaviours	Fractures, sprains, strains, cuts, bruises, concussion, abrasions. Choking, fatality, physical and verbal abuse	Participants/ Staff	Refer to current Code of Practice, Section 2. H&S Management Standards - - Incident Reporting & Investigation - First Aid and Medical Attention - Workplace Welfare - Managing Distressing, Challenging and Violent Behaviour	Tolerable	Ensure First Aid appointed person in maintained. Refer to pupil personal risk assessment Monitor Control Procedures.

Subject Reference Number	Hazard Reference Number	Hazard Description (eg potential causes of injury/damage)	Potential injury/damage	Persons at risk	Current preventative and protective measures (more detail on training in Part 3, more detail on PPE in Part 4)	Risk Rating	Further action required
7b. Fitness/ Circuit Training	1.	Work environment Slip, trip, falls, collisions, impact injuries	Muscle strains, sprains, concussion	Participants, Teachers, Supervisors and Support staff.	Refer to current Code of Practice, Section 2 & 3 H&S Management Standards - - Incident Reporting & Investigation - First Aid and Medical Attention - Workplace Welfare	Tolerable	Ensure First Aid appointed Person is maintained. Monitor Control Procedures.
	2.	Equipment Portable Mats, Benches, Chinning Bars, Dumbbells, etc Slips, trips, falls, collisions, impact injuries Electrical equipment	Fractures, cuts, bruises, muscle strains, sprains, concussion, abrasions Electrocution, fatality	Participants, Teachers, Supervisors and Support staff.	Refer to current Code of Practice, Section 3 & 11 H&S Management Standards - - Incident Reporting & Investigation - First Aid and Medical Attention - Workplace Welfare - Electricity - Manual Handling - Work Equipment Annual equipment maintenance and inspection.	Moderate	Ensure First Aid appointed person is maintained. Manual Handling Risk Assessment Training. Manual Handling Technique Training required. Monitor Control Procedures
	3.	Warm up/cool down Slip, trip, fall, collision	Fractures, cuts, bruises, strains, sprains and abrasions	Participants, Teachers, Supervisors and Support staff.	Refer to current Code of Practice, Section 3.2. H&S Management Standards - - Incident Reporting & Investigation - First Aid and Medical Attention - Workplace Welfare	Tolerable	Ensure First Aid appointed person is maintained. Monitor Control Procedures
	4.	Activity Specific	Fractures, cuts, bruises, muscle	Participants	Refer to current Code of Practice, Section 2.	Tolerable	Ensure First Aid appointed person is maintained.

		Slip, trip, fall	strains, sprains and concussion		H&S Management Standards - <ul style="list-style-type: none"> - Incident Reporting & Investigation - First Aid and Medical Attention - Workplace Welfare 		Monitor Control Procedures
	5.	Classroom Organisation Unsuitable clothing/ Footwear. Wearing jewellery, Eating, Challenging Behaviours	Fractures, sprains, strains, cuts, bruises, concussion, abrasions. Choking, fatality, physical and verbal abuse	Participants/ Staff	Refer to current Code of Practice, Section 2.4 H&S Management Standards - <ul style="list-style-type: none"> - Incident Reporting & Investigation - First Aid and Medical Attention - Workplace Welfare - Managing Distressing, Challenging and Violent Behaviour 	Tolerable	Ensure First Aid appointed person in maintained. Refer to pupil personal risk assessment Monitor Control Procedures.

Monitoring programme for hot and cold water system and water quality.	Tolerable	Monitor Control Procedures
		Restrictive area at poolside, collisions/falls in pool	Bumps, grazes, cuts, concussion, loss of consciousness, fatality	Participants	Refer to current Code of Practice, Section 10. H&S Management Standards - - Incident Reporting - First Aid and Medical Attention	Tolerable	National guidelines indicate standards for poolside area these should be considered for future designs
		Drains and filters in the pool/trapped by hair and jewellery. Water Temperature	Drowning, fatality	Participants	Refer to current Code of Practice, Section 2	Tolerable	Ensure First Aid appointed Person is maintained. Monitor Control Procedures

		Too cold/Too hot	Hypothermia	Participants	H&S Management Standards -	Tolerable	Ensure First Aid appointed
			Fainting, drowning		- Workplace Welfare		Person is maintained.
		Pool depth, sudden changes.	Choking, loss of consciousness, fatality	Participants	Refer to current NOP, see Appendix 6	Tolerable	Monitor Control Procedures
		Poor visibility	Bumps, collisions				Ensure First Aid appointed
							Person is maintained.
							Monitor Control Procedures

Subject Reference Number	Hazard Reference Number	Hazard Description (eg potential causes of injury/damage)	Potential injury/damage	Persons at risk	Current preventative and protective measures (more detail on training in Part 3, more detail on PPE in Part 4)	Risk Rating (BS 8800)	Further action required
20. Swimming (continued)	1.	Water clarity and quality	Fatality Inability to monitor pool. eye and skin irritation, breathing problems	Participants,	H&S Management Standards - - Incident Reporting - Legionella Refer to current NOP, see Appendix 6	Tolerable	Ensure First Aid appointed person is maintained. Monitor Control Procedures
	2.	Equipment Electrical Electrocution	Electrocution, severe burns, fatality, Cuts, bruises, fractures	Participants	Refer to current Code of Practice, Section 2, 3, 5 and 10. H&S Management Standards - - Incident Reporting - First Aid and Medical Attention - Electricity No mains operated equipment. Battery power only.	Tolerable	Ensure First Aid appointed person is maintained. Monitor Control Procedures
		Small apparatus. (Floats, arm bands, etc) Slip, trip, fall	Slip, trip, sprains, bumps, cuts, laceration, concussion, broken limbs, loss	Participants and Teachers Janitors	Refer to current Code of Practice, Section 2 and 3 H&S Management Standards - - Incident Reporting - First Aid and Medical Attention - Workplace Welfare	Tolerable	Ensure First Aid appointed person is maintained. Monitor Control Procedures

		Storage and use of equipment and teaching aids Storage of chemicals	of consciousness, fatality Breathing problems, burns		- Work equipment - COSHH Control of Substances. Hazardous to Health procedures/assessments (AMEY). Cordia janitorial staff.		
	3.	Warm up/cool down (Body not prepared for strenuous exercise)	Fractures, cuts, bruises, muscle strains, sprains	Participants	Refer to current Code of Practice, Section 2 and 10 H&S Management Standards - - Incident Reporting - First Aid and Medical Attention	Tolerable	Ensure First Aid appointed person is maintained. Monitor Control Procedures

Subject Reference Number	Hazard Reference Number	Hazard Description (eg potential causes of injury/damage)	Potential injury/damage	Persons at risk	Current preventative and protective measures (more detail on training in Part 3, more detail on PPE in Part 4)	Risk Rating	Further action required
20. Swimming (continued)	4.	Activity Specific Water	Fractures, cuts, bruises, strains, sprains	Participants	Refer to current Code of Practice, Section 5 and 10. H&S Management Standards - - Incident Reporting - First Aid and Medical Attention - Legionella - Workplace Welfare	Tolerable	Ensure First Aid appointed person is maintained. Monitor Control Procedures
		Depth of Pool	Drowning, fatality Head and spine injuries	Participants, Teachers and Supervisors	Normal Operating Procedures (NOP) and Emergency Action Plan (EAP) in place for the swimming pool.	Tolerable	Ensure First Aid appointed person is maintained. Monitor Control Procedures
		Handling of children / young people with disabilities	Fractures, cuts, bruises, strains, sprains		Refer to current Code of Practice, Section 10.3. H&S Management Standards - - Incident Reporting - First Aid and Medical Attention - Workplace Welfare Individual Education Plan – a Physicare Manual Handling Risk Assessment. Training for staff – Safer People Management and handling techniques (Physicare)	Tolerable	Specific Risk Assessment Training and Safer moving and handling of people. Monitor Control Procedures
		Diving	Head and spine injuries	Participants	Refer to current Code of Practice, Section 10.7. H&S Management Standards - - Incident Reporting - First Aid and Medical Attention	Tolerable	Ensure First Aid appointed person is maintained. Monitor Control Procedures

		Lifesaving, surface-dives, towing and lifting	Ear damage, strain, bumps, bruises	Participants	<p>Refer to current Code of Practice, Section 10 and especially 10.7</p> <p>H&S Management Standards -</p> <ul style="list-style-type: none"> - Incident Reporting - First Aid and Medical Attention 	Tolerable	<p>Ensure First Aid appointed person is maintained.</p> <p>Monitor Control Procedures</p>

Subject Reference Number	Hazard Reference Number	Hazard Description (eg potential causes of injury/damage)	Potential injury/damage	Persons at risk	Current preventative and protective measures (more detail on training in Part 3, more detail on PPE in Part 4)	Risk Rating	Further action required
20. Swimming (continued)	5.	Class Organisation Unsuitable clothing / footwear. Slip, trip, fall. Collision Challenging behaviours	Fractures, cuts, bruises, strains, sprains, concussion physical and verbal abuse	Participants/ Staff	Refer to current Code of Practice. Section 2, 5, 6 and 10. H&S Management Standards - - Incident Reporting - First Aid and Medical Attention - Workplace Welfare - Managing Distressing, Challenging and Violent Behaviour	Tolerable	Ensure First Aid appointed person is maintained. Refer to pupils personal risk assessment Monitor control procedures
		Wearing jewellery (catching snagging)	Cuts, bruises, sprains, strains, constriction, abrasions	Participants	Refer to current Code of Practice. Section 2 H&S Management Standards - - Incident Reporting - First Aid and Medical Attention	Tolerable	Monitor Control Procedures
		Eating	Choking, fatality Fractures, sprains, strains		H&S Management Standards - - Incident Reporting - First Aid and Medical Attention	Tolerable	Ensure First Aid appointed person is maintained
		Class Size (Collision, slip, trip, fall)	Cuts, bruises	Participants	Refer to current Code of Practice, Section 10. H&S Management Standards - - Incident Reporting - First Aid and Medical Attention	Tolerable	Monitor Control Procedures
		Accompanying adult on poolside, slip, trip, fall in water.	Fractures, cuts, bruises, strains, sprains, drowning and fatality	Accompanying adults	Refer to current Code of Practice, Section 10. H&S Management Standards - - Incident Reporting - First Aid and Medical Attention - Workplace Welfare Information instruction and awareness training given to accompanying adult.	Tolerable	Ensure First Aid appointed person is maintained

					Refer to NOP		
		Lack of medical information	Variety of medical problems / Fatality	Participants	Refer to current Code of Practice, Section 10.8. H&S Management Standards - - Incident Reporting - First Aid and Medical Attention	Tolerable	Monitor Control Procedures
		Fire	Smoke inhalation	Participants and Teachers	Refer to current Code of Practice, Section 10.8. H&S Management Standards - - Incident Reporting - Fire Safety Fire safety management / fire awareness training Refer to NOP	Tolerable	Ensure First Aid appointed person is maintained

Subject Reference Number	Hazard Reference Number	Hazard Description (eg potential causes of injury/damage)	Potential injury/damage	Persons at risk	Current preventative and protective measures (more detail on training in Part 3, more detail on PPE in Part 4)	Risk Rating	Further action required
21. Volleyball	1.	Work environment Floor (Slip, trip, fall, concussion)	Fractures, cuts, bruises, muscle strains, sprains	Participants,	Refer to current Code of Practice, Section 2, 3 & 5 H&S Management Standards - - Incident Reporting - First Aid and Medical Attention - Workplace Welfare	Tolerable	Ensure First Aid appointed Person is maintained. Monitor Control Procedures.
	2.	Equipment Posts (crushing, impact injuries whilst manoeuvring into position Balls (Impact injuries) Nets (Body parts getting tangled in nets)	Fractures, cuts, bruises, sprains concussion Strangulation Fatality	Participants,	Refer to current Code of Practice, Section 2, 3 & 5 H&S Management Standards - - Incident Reporting - First Aid and Medical Attention - Work Equipment - Manual Handling Annual Maintenance and inspection programme	Moderate	Ensure First Aid appointed person is maintained. Manual handling techniques training. Manual handling risk assessment required. Monitor Control Procedures
	3.	Warm up/cool down Slip, trip, fall, collision	Fractures, cuts, bruises, muscle	Participants	Refer to current Code of Practice, Section 2. H&S Management Standards -	Tolerable	Ensure First Aid appointed person is maintained.

			strains, sprains, concussion		<ul style="list-style-type: none"> - Incident Reporting - First Aid and Medical Attention 		Monitor Control Procedures
	4.	Activity Specific (Body not prepared for strenuous exercise)	Muscle strains, ankle and foot strains	Participants	<p>Refer to current Code of Practice, Section 2, 3 & 5</p> <p>H&S Management Standards -</p> <ul style="list-style-type: none"> - Incident Reporting - First Aid and Medical Attention 	Tolerable	<p>Ensure First Aid appointed person is maintained.</p> <p>Monitor Control Procedures</p>
	5.	Classroom Organisation Unsuitable clothing/ Footwear. Wearing jewellery Eating, Challenging behaviours	<p>Falls, fractures, cuts, bruises.</p> <p>Choking, fatality physical and verbal abuse</p>	Participants/ Staff	<p>Refer to current Code of Practice, Section 2, 3 & 5</p> <p>H&S Management Standards -</p> <ul style="list-style-type: none"> - Incident Reporting - First Aid and Medical Attention - Workplace Welfare - Managing Distressing, Challenging and Violent Behaviour 	Tolerable	<p>Ensure First Aid appointed person in maintained.</p> <p>Refer to pupils personal risk assessment</p> <p>Monitor Control Procedures.</p>

Part 3: CONTROL MEASURES - TRAINING

Reference Number	Training Subject	Conducted by	Brief Details of Training (state where further information can be found, eg training programmes, where appropriate)	Training Records (state where records of training are located)	Is Training Evaluated? YES/NO (provide details)	Further action required
1a, b, c, d 2,3, 4, 5, 6. 7,8	Manual Handling Risk Assessments Training	Education Services Health and Safety Section	1 day course on risk assessing manual handling activities	Education Services – Health and Safety Section, EdIS, Training Section and School	Yes	Identify staff and implement a training programme and ensure training programme is maintained
9, 10, 11, 12, 17, 19, 20	Manual Handling Techniques/ Awareness training	Education Services Health and Safety Section or external provider	½ day course outlining specific manual handling techniques	Education Services – EdIS, Training Section and School	Yes	Identify staff and implement a training programme and ensure training programme is maintained
1-21	First Aid training appointed person	External provider	1 day emergency first aid	Education services – EdIS, Training Section and School	Yes	Identify staff and implement a training programme and ensure training programme is maintained
1-21	Safer Moving and Handling of People	External Provider – physicare/meditrain	Specific Risk Assessment and training applicable.	Education services – EdIS, Training Section and School	Yes	Identify staff and implement a training programme and ensure training programme is maintained
18	Trampoline Coaching	External Provider – British/Scottish Gymnastics	2 day British Gymnastics Trampoline Coach Qualification. Renew every 3 years	Education services – EdIS, Training Section and School	Yes	Identify staff and implement a training programme and ensure training programme is maintained

19	Rescue Test for Teachers and Coaches of Swimming	Education Services In-House Trainers	2 day course – Royal Lifesaving Society Course. Renew every 2 years	Education services – EdIS, Training Section and School	Yes	Identify staff and implement a training programme and ensure training programme is maintained
6c	Weight Lifting – Leaders Award	British Amateur Weight Lifting Association		Education services – EdIS, Training Section and School	Yes	Identify staff and implement a training programme and ensure training programme is maintained

Part 4: CONTROL MEASURES – PERSONAL PROTECTIVE EQUIPMENT

Reference Number	PPE Name of equipment	Description (include reference to Standard)	Are details of issue recorded YES/NO	Specific Risk Assessment carried out YES/NO	Further action required
4	Helmets, gloves and pads	Cricket rules of play and the National Governing Body for Cricket	No – Issued as required per rules of play	Yes – PE Risk Assessment 4 and PE Code of Practice Section 4 and 5	Replace as necessary when damaged or obsolete.
7	Shinguards	As recommended by national Governing Body for competitions	No – Worn as required per rules of game	Yes – PE Risk Assessment 7 and PE Code of Practice Section 4 and 5	No further action
11a, b	Goal keeping equipment – helmet gloves, ads	As recommended by National Governing Body for competitions	No – Worn as required per rules of game	YES PE Risk Assessment 7 and PE Code of Practice Section 3, 4 and 5	Replace as necessary when damaged or obsolete
1-20	Disposable gloves and aprons	Vinyl En455-1/2	No – Used as required	As specified MSF 23, MSF 57 and MSF 34e	Monitor provision

FURTHER ACTION REQUIRED ON PPE

Reference Number	Action required
