

<u>Maths</u>	<u>Reading</u>	<u>Writing</u>	<u>HWB</u>
Write out all your times tables. Challenge an adult at home... how quick can you do it?	Read your class reading book and your library book alone. Then read them aloud to people in your house!	Write a story about what you have been doing when at home.	Plan and make a healthy meal with an adult.
Log into Sumdog Maths and complete as many games as you can! <a href="http://www.sumdog.com">www.sumdog.com</a>	Make a poster for all of the different reading strategies we have learned! Remember to write how to use them!	Write a persuasive letter to Mrs Clark asking to have an extra non-uniform day when we are back at school. Remember to give evidence! Why do we deserve this? Could it be for charity?	Design a poster showing how to be a good friend. What skills and qualities are important?
Ask an adult to give you some division calculations... can you show 4 ways to solve these? (Remember your strategies).	Create a new book cover for your favourite story.	Write an acrostic poem all about Spring.	Design an advert to promote healthy eating.
Using a computer or a tablet go onto the Top Marks website <a href="http://www.topmarks.com">www.topmarks.com</a> and play different maths games.	Watch a movie which is based on your favourite book. Write down similarities and differences between the book and the film.	Write an acrostic poem about our topic Climate Change.	Use just dance for 30 minutes. Involve your family!
Play 'Hit the Button' online.	Write a blurb for your favourite story.	Write out 10 sentences using correct punctuation.	Watch a classic film together, or watch a documentary, or quiz show and speak about what you see
Can you make a times table	Write a character description	Make a poster for the class	Help with household chores - life

flower for every times table? Make them as colourful as you can!	for your favourite character in your book. Remember to add information about their appearance and personality.	reminding us to use correct punctuation.	skills that will eventually be needed!
Create a maths board game! Challenge someone at home to play it!	Write down a few sentences of what happens at the start or your story, the middle and the end.	Copy a page from a book or newspaper using cursive handwriting for practise.	There are lots of colouring books and mindfulness colouring is very popular, look for some online and work on something together.
			Make up a song/rap about how to clean your hands. Sing it together whenever you wash your hands.
			How can we be kind? Make a kindness diary and record every time when you or someone you know is kind.
