

Home Learning Grid: Primary 5

Colour in the boxes to show which activities you have done.

Play Sumdog to improve your mental maths strategies.

Take some paper and draw what you can see from your window.

Practice your cursive letter joins.

Learn to cook something for tea. Write down the recipe and instructions.

Draw a picture of your favourite character from a book, film, TV show or game.

Make some spring flowers using different materials – card, paper, junk modelling etc.

Keep a diary of your day and how long each activity takes.

Choose a Just Dance video on YouTube and have a dance break.

Write an acrostic poem with the word EASTER.

Research causes and effects of climate change. Write about these in your jotter. Come up with a solution to one of the problems.

Read a book you haven't read before. Make a book review in your jotter explaining your favourite parts and rate it out of 10.

Estimate how long it will take you to do: 5 laps of your living room, 20 star jumps, 10 squats and 30 high knees. Time yourself to see how close you were.

Practice your addition, subtraction, multiplication and division facts using 'Hit the Button' on the Topmarks website.

Build a reading fort with a parent or sibling and read a book inside your fort.

Can you teach someone in your family a new skill and write about it in your jotter.
