

### Count the Birds

How many birds are in the picture? They are going to join Elmer in his parade, can you help colour their feathers with different colours and patterns?

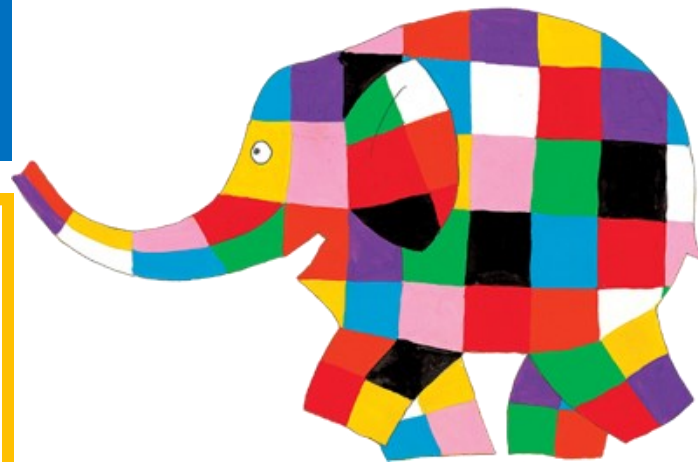

### Dice Game

Recognising numbers on a dice is an important skill. Take turns to roll the dice. Match the numbers to the colours on the game board. Colour in the matching number.

## Quarry Brae Primary

### Elmer Project—Week 3

### Character Hunt

Watch the tour video again. Can you find Elmer, Wilbur, Monkey and Tiger hiding?

### Colour Walk

Try going on a walk to the school. What can you see? What do you hear? What can you smell? Look for things that match each of Elmer's colours and draw them on the sheet.

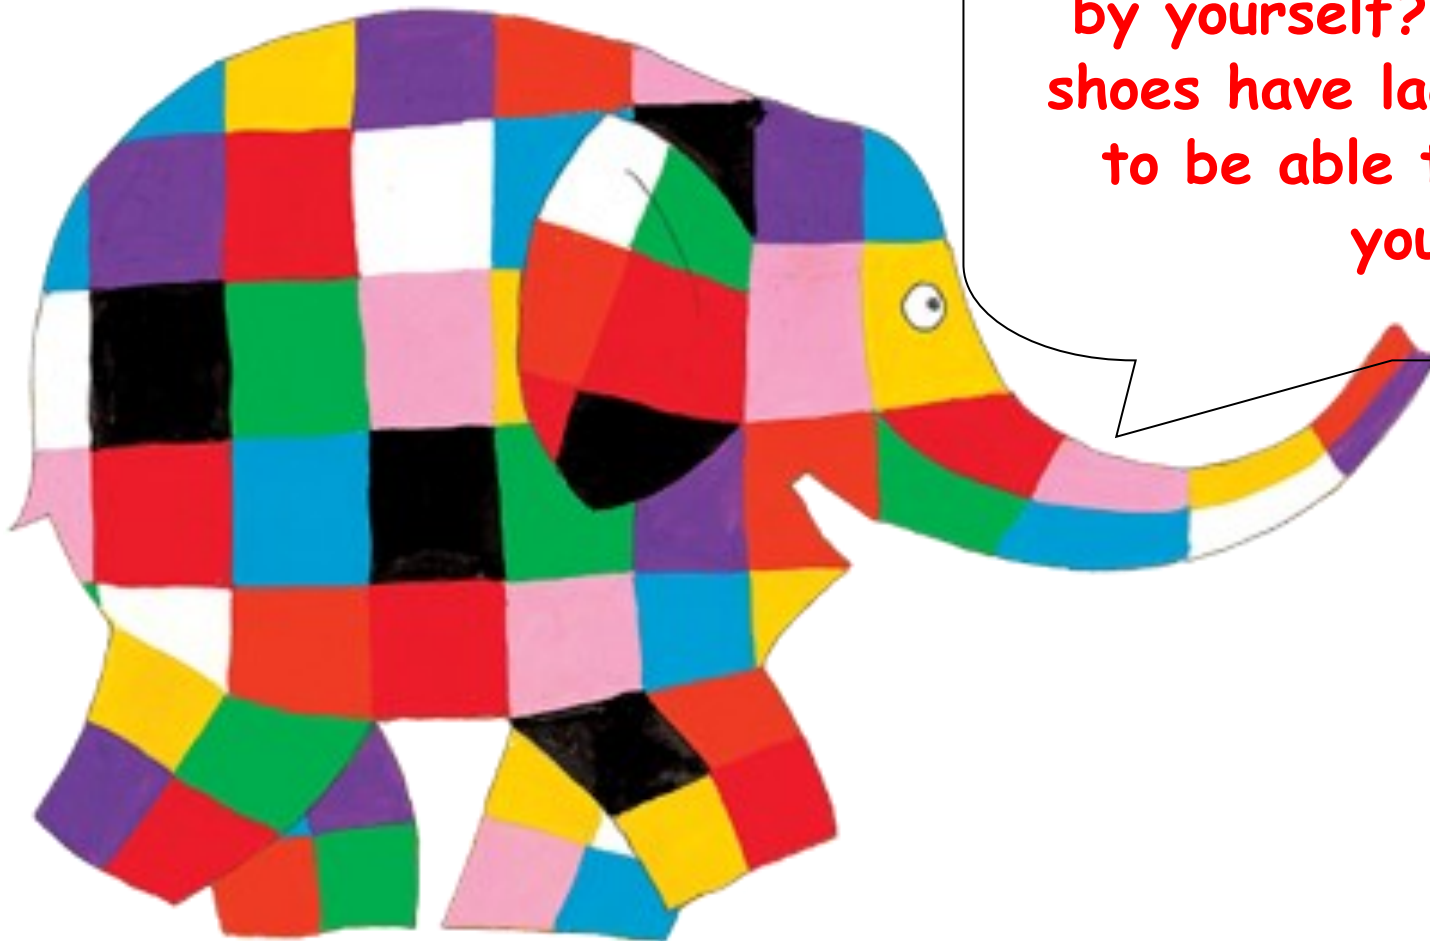

### Teacher Challenge

The P1 teachers are setting a challenge for all the children. Can you put your shoes on and off by yourself? If you have laces on your school shoes you will need to be able to tie them

This week, Elmer's challenge

Can you....

**Put on and take off your shoes  
by yourself? If your school  
shoes have laces you will need  
to be able to tie these by  
yourself.**

# Patchwork Elmer

I am special because...
