

DIGITAL AMBASSADORS ST ROCHS PRIMARY

Who?

Primary 6-7 completed an application form explaining why they wished to become a Digital Ambassador for our school and what would make them a good leader.

Applications were then carefully considered by Miss Thompson and Miss Crooks and the successful children were invited along to receive their certificate.

We will meet every Tuesday at lunch to take Digital Learning in our school forward.

What?

Each week we will meet during lunchtime to discuss what is working well in our school and what ideas we have to make it even better with a focus on Digital Learning.

- Support the use of iPads and computers in school to support learning
- Share their skills and expertise with other pupils, classes and teachers.
- Assist teachers and other pupils in understanding coding
- Support teachers in using technology in the classroom.
- Have a good understanding of how to stay safe with technology and share that with others.
- Provide first line technical support in school.
