Sandaig Primary School Session 2023-2024

The summary report is provided for parents/carers and partners to outline our achievements this session and our priorities for next session. Throughout this session we have taken forward our priorities as detailed in our school improvement plan. Through our processes of self-evaluation, we have identified how we can improve outcomes for our children and young people.

Our achievements and improvements this year.

We would like to highlight the following improvements/achievements:

Raising Attainment in Numeracy and Literacy

Our Challenge Leaders of Learning (CLOLs) have built upon their work last year with staff, to build capacity and ensure pupils have high quality teaching and learning experiences in Numeracy and Literacy. They have continued to work with children in Targeted Intervention Groups to provide support to improve specific skills and knowledge, using current pedagogy and digital technologies. There have been increased opportunities for parents/carers to work in partnership with staff to support their children.

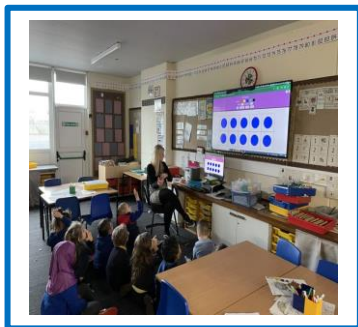

Primary 1 Phonics Pilot

Colourful Semantics

Pupil-Led Play

Mathsbot

Play Along Maths

Describing Bubble

DIGITAL TECHNOLOGY

KINDNESS

SAFE

RESPECT

Our Digital Leader of Learning, DLOL, worked alongside a specialist from the authority to provide staff with training and team-teaching opportunities. This has improved their use of digital technologies to enhance teaching and learning. In addition, the children had increased opportunities to use digital technologies within their classroom to support their learning and showcase their work.

Book Creator

Digital Animations

Digital Augmented Reality

The hard work of all our pupils and staff was recognised in June when the school received our Digital School Award.

Attendance

At Sandaig, we strive for all our pupils to have excellent attendance so that they can fulfil their learning potential, form positive friendships with their peers and participate in our many school and community events. Whole school attendance improved slightly during this session. Here are some of the initiatives that we have used to support our children and families to improve attendance:

After-School Clubs

Pupil Support Groups

Attendance Awards

Sandaig Stars

Hot Chocolate Friday

Family Support Groups

Pupil Equity Funding-PEF

Our £ 95,000 PEF spend was primarily used to provide teacher cover to release staff for targeted interventions in Literacy/ Numeracy/Attendance, support for children at key transitions across the day and assisting families with English as an additional language, EAL. This has enhanced learners outcomes across key areas and strengthened support for families with EAL, fostering greater engagement for some.

Sandaig Enhanced Nurture Provision, ENP

Our ENP continues to thrive. We have offered targeted support to children with social and emotional difficulties from across the city. In addition, Sandaig children have received support from the provision to help regulate their feelings and emotions; fostering a more positive, inclusive and safe learning environment. ENP staff and mainstream staff work together to provide the best outcomes for our children. This has contributed to enhanced overall wellbeing amongst the children of Sandaig and a calm, caring supportive school ethos.

ENP and Mainstream Staff Learning Together

Supporting our EAL Families

The ENP

The Life and Ethos of the School

The children have been provided with opportunities to participate in a range of activities to enhance their curricular experiences and develop lifelong skills for learning and work. They have worked with a range of partner agencies to provide varied and motivating experiences. There has been a lot to celebrate this year and we have been proud to invite our families and the local community into the school to showcase the children and their work.

Primary 7 Winners at Mock Court

Apple Teacher Accreditation for all Staff

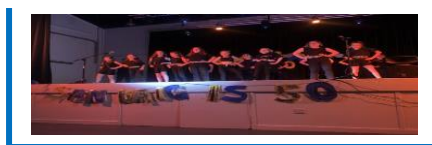

House Winners Jura

Developing the Young Workforce Partnerships

Enterprise

Sandaig is 50! Celebrations

Silver Rights Respecting School Award

Here is what we plan to improve next year.

KINDNESS

SAFE

RESPECT

New priorities for Session 24/24 which are detailed in our School Improvement Plan are summarised below.

- Raising Attainment in Literacy and Numeracy
- Curriculum-Phonics
- Thinking Routines
- Digital Technology
