# *Biography*

Cynthia Morris Sherman who goes by the name Cindy Sherman aged 66, is an American artist (photographer) whose work consists exclusively of photographic self-portraits, depicting herself in many different contexts and as various imagined characters.

## *Reason for Fame?*

In 1977, Cindy began work on "Complete Untitled Film Stills," a series of 69 photographs and one of her best-known works; her black-and-white photographs challenged cultural stereotypes supported by the media. Due to this she gained more popularity and was recognized by many other artists, film directors and was even invited to many photoshoots to take pictures.

Here is some of her outstanding work!
