

Famous photographer S3

- Annie Leibovitz

She is an American portrait photographer best known for her pictures of celebrities. She was born on the 2nd of October 1949. She was one of six children. She originally studied painting at the San Francisco Art Institute but soon developed a love for photography. In 1975 she was given the opportunity to tour with the rolling stones. She lost her self in the experience and ended up with a drug addiction. Leibovitz's images have been showcased in several books and exhibitions around the world. She is currently living at the age of 70.
