

Shawlands Primary School

1st June 2021

Dear Parent/Carers

With the forecast set to be hot and sunny for the next few days and children doing P.E. and outdoor learning, can you please make sure your children have the following with them at school.

- Enough fresh water e.g. 2 bottles (it is not possible, due to Covid, to refill from the water coolers)
- Sunscreen and hat if required.

Thank you
Jane McClounan
