3. CHAIRPERSON'S REPORT

- Started the school year with new P1s doing their handprints on the outdoor container
- Halloween Virtual Disco was last of the virtual events
- Christmas Fayre was held outside due to ongoing Covid restrictions, but went remarkably well given the circumstances
- Two Playground Days were held during the year via lets from the council, which involved lots of garden development, playground play line painting and the stage 1 construction of the new stage etc
- The last event of the school year was the Picnic in the Playground in May, with performers on the stage, old whisky butts for sale etc
- Summer Discos were in-person again at the end of the school year
- Programmable robots were funded via the PC, while P7 hoodies and some trips were part-funded
- Stage 2 of the stage's construction is anticipated in the 22-23 school year, along with various other events (including repeats of some of those above)
- A special mention for Laura Gilpin who retired in the summer and was a very important figure at the school and for the Parent Council over many years
- Morven Mulgrew provided an overview and update re the gardening initiative's activities
