Dear King's Park Ski Trip Families,

First of all, thank you to all families who have diligently contributed to the King's Park Ski trip to Italy. Your commitment and cooperation are invaluable as we embark on this exciting journey. I am closely monitoring all payments through Parent Pay. If any families encounter difficulties in keeping up with the suggested payment plan, I encourage you to email me [gw15jackdavid@glow.sch.uk](mailto:gw15jackdavid@glow.sch.uk). Your communication is essential, and we will work together to accommodate your circumstances and ensure a smooth payment process.

I'm delighted to announce that due to some openings, we've been able to offer most pupils on our reserve list a spot on the trip. The enthusiasm shown by both pupils and parents has been truly remarkable. While I understand that joining the payment plan at a later stage might pose challenges, please rest assured that we are here to assist you. Kindly inform me of any concerns you may have regarding the payment schedule.

An updated list of attendees has been posted on the bulletin board outside Mr. Jack's Computing classroom.

I'm pleased to inform you that the deposits have been successfully transferred to the travel company. Furthermore, I will ensure that the next payment to the travel company is made before the school closes for the summer holidays.

As we prepare for this unforgettable adventure, it's important that we gather all necessary information from pupils to ensure smooth travel arrangements. To facilitate this process, I kindly request that you complete the digital form provided using the following link:

<https://forms.office.com/e/ccisse2QJ1>

This information will be shared with the travel company well in advance of our departure. **Please ensure that the form is completed by Friday, May 24th.**

In the event of any technological challenges, the questions are also provided on the reverse side of this letter. You may choose to complete the form manually and return it to Mr. Jack.

Your cooperation and participation are essential in making this trip a success. Should you have any questions or require further assistance, please do not hesitate to contact me.

David Jack  
Faculty Head of Business & Computing
