Dear Parents and Guardians,

We're thrilled that the ski trip to Bardonecchia, Italy is just around the corner! With the departure date set for December 14th, 2024, our team is busy making final preparations to ensure an unforgettable experience for all students. We can practically feel the crisp mountain air already, and we're sure everyone is looking forward to the adventure ahead!

To help us finalise arrangements, we kindly ask for your cooperation in the following areas:

1. Dietary & Ski Fitting Information

Please fill out provide essential details about any dietary requirements and ski fitting information, including your child's height and weight. This information will help us ensure that all students are properly equipped and well-catered for on the trip. 2. Passports and EHIC Cards

To comply with travel requirements, please provide a photocopy of:

- Your child's **passport**

Having these documents on file will allow for smoother travel and immediate access to healthcare if needed. Thank you to the families that have already provided this information. We are aware of some families having difficulty attaining an EHIC card and we will be in touch with you separately.

3. Final Parents' Meeting

We will be holding a **final parents' meeting on Wednesday, November 13th, 6pm** to go over last-minute details, answer any questions, and provide a detailed overview of the itinerary. Your attendance is highly encouraged, as this will be the best opportunity to make sure everything is set for the trip.

4. Clothing Reminder

Please ensure your child has the appropriate ski clothing for the trip, as warm, waterproof layers are essential. To keep costs down, you may wish to look at options on Vinted or in stores like Aldi, Trespas, and Decathlon, which often have affordable ski gear. Additionally, I am happy to accept any donations of ski clothing that your child may have outgrown, and these items will be redistributed to families at the parents' meeting on 13th November. A clothing guide has been published on the trip website, if you have any further questions about clothing please do not hesitate to contact me.
