Dear Parents and Carers,

Thank you for your interest in the King's Park Secondary Ski Trip. We were thrilled to see such enthusiasm, with 60 pupils expressing a desire to participate. However, it is with regret that we must inform you that we are only able to accommodate 40 students on this excursion.

At this moment your child wasn't successful in gaining a place on this trip. They have been on a reserve list and will be notified if all places are not filled.

Those who were not selected have been placed on a reserve list. We understand that not all selected students will decide to take the place on the excursion. In such cases, we will offer the opportunity to someone from our reserve list to take their place.

Additionally, we anticipate that there may be some young people who decide they are not going to commit to the trip between now and December. Should this occur, we will randomly select a replacement from the reserve list.

We understand that this news may be disappointing, and we sincerely apologise for any inconvenience caused. If you have any questions or concerns regarding the trip or the selection process, please do not hesitate to contact the school office.

Thank you for your understanding.

Sincerely,

David Jack

Faculty Head Business & Computing
