## **Superheroes, superpowers and everyday heroes. These stories will inspire you to be super in your own life!**

“We can be Heroes” is a collection of stories written by BAME pupils and authors.

100% of the stories feature BAME characters. 100% of the profits will be used to write more stories like this through St. Albert's Primary School's social enterprise activities.

In 2018, it was found that only 1% of children's books had a main character who was black, Asian or minority ethnic.

**UK-wide, over 1/3 of primary school children belong to these ethnic groups.**

**At St. Albert's, over 90% of our pupils are BAME. They couldn't identify with the characters in the books available to them. So we decided to write our own.**
