# **St Albert's Primary School Celebrates the Turner Prize and looking at Contemporary Issues through Contemporary Art**

**Friday 5<sup>th</sup> December - Open to parents/carers from 1.30 - 3pm**

## **Exhibit 7. Primary 4 - Drowning in rubbish'**

**Glasgow City Council once paid many women less than men for doing similarly important work. To fix this, they agreed a £500 million equal-pay settlement. Wrongly, not everyone has been paid yet.**

**Due to of all the money they're paying out, the council is short of cash. This has forced cuts to services like bin collections. Some local areas – including Pollokshields – are saying this makes life harder and messier in their community. Nnena Kalu has inspired us in the way we have decorated our room!**

## **Exhibit 8. Primary 6a - Voices Make Glasgow**

**There are 15 different languages spoken or understood in P6a.**

**Each voice tells a story that makes Glasgow.**

**The languages and Glasgow soundscapes we hear aren't separate; they don't shout or talk over each other. Instead, they complement, gently overlapping like journeys floating through this Dear Green Place.**

**This Susan Philipsz-inspired audio installation shows how Glasgow is made by different stories, languages, cultures and voices.**
