About St Albert's Primary School Glasgow

<https://blogs.glowscotland.org.uk/gc/stalbertsg41/>

Hello! I am part of our Parent Council working with over 100 families. For the past 10 years our school has funded all pupils in our school on a Family Trip. This includes transport & the cost of entry into venues. We also heavily subsidise the cost for parents/carers & younger siblings so that families can join the Family Trip. Unfortunately this year the budget we use has been spent due to unexpected school costs and we can only go on our trip if we charge full price for families & pupils or fundraise. As part of the parent council we are doing our best to fundraise and hope to get pupils involved too however this opportunity would help us greatly and be so appreciated by all our families!
