Anti-Racism Steering Group

At St Albert's, we have started an anti-racism steering group because in the uk there's been an increase in race related hate crimes. Our goal is to weaken racism by teaching ways to be actively anti-racist.

So far we have written a child friendly anti-racism charter, prepared a suggestion box for pupils, created a poster campaign, and we are preparing an assembly for our whole school. The big thing we are doing is creating workshops for other schools to share with them how to stand up to racism. Also, we want to make a website about everything we are doing to keep updated, more information on this to come.

We meet on the last Wednesday of every month in room 10. If you would like to join us, just come along!

From the P6 pupils in the anti-racism group.

Thanks,
Alexis

Well done to our group for making headlines in the Evening Times
