

St Albert's Primary School

14th August 2026

Dear Parents, Carers and Friends of St Albert's,

HAPPY NEW SCHOOL YEAR! that was a quick summer ...although maybe for some of you a very long one! I am hoping it was happy, relaxed and full of sunshine.

We are all absolutely delighted to welcome all of you to the new school year and especially all of you who are new to the school. Thank you for choosing us and we all look forward to working with you and your family. You belong here and we will surround you with love. Your children will grow strong here. My door is open to you and all parents where we would hope to answer all of your questions with compassion and understanding.

Our values here are Compassion, Creativity, Ambition, Responsibility and Equality. We expect all staff, pupils and parents to consider these.

Attainment is important to us and it is strong in our school however children need so much more to make a success of their lives and we all believe these values will give them a strong foundation for all their learning.

Our school is an interesting place to be we continually seek creative ways for your children to show their strengths. As always your skills and talents are welcome here. If you have ideas about how you could use these in school. Or are connected to people we can engage as partners please let us know.

Alongside literacy and maths, we are passionate about the arts and the link between arts and raised attainment. This is something we invest in. As a result, Jasleen Kaur, an amazing local, prize winning artists is donating one of her commonwealth pieces to this school. We are delighted. We have partnerships with universities, dance companies, businesses and we look to expand on this.

I will be in touch with you over the coming weeks with more information on school improvement and standards.

I look forward to working in partnership with you.

Clare
