

## Literacy

This term we will be learning initial sounds of the alphabet and will begin to blend these letters to make three letter words e.g. sat, pin. Children are encouraged to regularly revise these sounds at home (Spotting the sounds in a story for example). Activities on Seesaw for weekly homework will help Children to revise each sound.

Children will listen to stories being read in the class and explore both fiction and non fiction picture books. We will discuss the characters in a book, share our opinions on a story. The children will learn to point out the title of a book as well as learn about the jobs of the author and illustrator.

The children will be able to orally state a sentence to match the picture for the teacher to scribe. This will be their first step in learning to write. They will be practising their formation of letters and numbers also.

## Numeracy

Pupils will be learning:

- To recognise, count and write numbers to 10.
- To identify the number before, after and between up to 10.
- To talk about time and events e.g. days, months, seasons.
- To use our class calendar and timetable.
- To identify and continue short shape, colour and number patterns.

## Health and Wellbeing

This term we will be focussing on Emotional Wellbeing. We will learn about feelings, how to talk about how we feel and also about the importance of friendship.

In P.E we will be developing our ability to work with others when playing games. PE is an opportunity for children to develop their communication and cooperation skills through games.

## Topic - People Who Help Us

This term our topic is 'People Who Help Us'. We will be learning about the different jobs and roles of people in our community and exploring ways we can help in the community. We will discuss the importance of caring for the environment and looking after others in our community also. The children will participate in regular outdoor learning activities linked to aspects of our topic including our Welly walk around the community in the coming weeks.

## This is Our Faith

This term we will be sharing our awareness of what makes us unique children of God with different talents.

We will also be learning that when we pray, we are speaking to God.

This term we will focus on our School Values— Respect, Love, Responsibility and Honesty. We will talk about how we can demonstrate these values daily.
