Dear Parents/Carers

I hope that you and your family are all well.

As you know my secondment to the authority is finished this month and I am due to return to St Francis Primary as Headteacher from Aug 2020. However, I have been offered a permanent post as a Quality Improvement Officer for Education Services and I have accepted.

I would like to thank you all for the tremendous support that you gave to me and the school during my time there as Depute Head and Headteacher. Working with your children and in the Gorbals' Community for eleven years has been a privilege and I have many, many happy memories from my time in St Francis' that I will always treasure.

I hope you all manage to have some enjoyment through the summer in these difficult times and I wish you and the children every success and happiness in the future.

Yours sincerely,  
Sharon McGeever
