

St Francis Primary School Curriculum Information for Parents/Carers

<p>Literacy and English</p> 	<p>This term Primary 5a and 5b will be continuing to revise, recognise and write sounds using Phonics International. Children will be focusing on using a range of connectives, openers and ambitious punctuation and vocabulary to enhance their writing. Our writing focuses this term are recount and a wish story through Talk for Writing. Children will be working on a variety of comprehension type questions such literal, inferential and evaluative.</p>
<p>Numeracy and Maths</p> 	<p>Across numeracy this term, the children will be learning about rounding, place value, partitioning, Roman Numerals, number sequences continuing to work on the 4 operations, learning and using a range of CPA strategies to solve problems. Within Maths, children will explore measurement; estimating, measuring and recording different lengths of object and using the correct unit. They will also be learning to calculate area and perimeter. They will be taking part in Maths Week where we will explore Maths in the past, how maths is important in daily life.</p>
<p>Health and Wellbeing /PE</p> 	<p>In Health and Wellbeing this term children will continue progress in PATHS and relate these to real-life situations. As well as this, they will be learning about hygiene and identifying skills and qualities within themselves. In P.E. the children will be improving their fitness, estimating their target and recording results to show development. They will also be improving football skills. Please ensure that your child wears the correct PE uniform, e.g. a yellow or white t-shirt, shorts/joggers and suitable shoes. No football kits should be worn for PE. All jewellery should be removed.</p>
<p>Religious Education</p> 	<p>In RE, the children will be exploring Christianity in Scotland and how it came to our country. They will also be exploring their gifts and talents and trying to live each day demonstrating the Gospel Values. Children are always happy to share their faith with others in the class.</p>
<p>Sciences</p> 	<p>This term the children will be consolidating their knowledge of the water cycle, learning the importance of water in daily life and carrying out experiments linked to buoyancy.</p>

<p>Technologies</p> 	<p>In technologies this term the children will have the opportunity to use the iPad across their learning. Children will be focusing on becoming more familiar with using the iPad, internet safety and showing how they can be responsible, respectful and safe using technologies. Children will further improve their use of various apps such as 'Showbie', 'Book Creator' and 'Keynote' to assist their learning.</p>
<p>Expressive Arts Music/ Drama/ Art/ Dance</p> 	<p>Music: Our classes will be exploring Scottish music and artists through our topic 'Scotland Through the Decades'.</p> <p>Art: In Art we will be looking at line work, colour (identifying hot and cold colours) and creating designs inspired by Charles Rennie Mackintosh. Children will have the opportunity to link this with other areas in the curriculum.</p>
<p>Modern Languages</p> 	<p>In French, we will be learning to say and use basic greetings and learning how to count up to 20. We will continue to revise our learning throughout the year through songs, quizzes and games. We will be learning about various aspects of French culture.</p>
<p>Interdisciplinary Learning</p> 	<p>Our IDL topic will be 'Scotland Through the Decades' with a strong focus on the development of Scotland through the years comparing the past to the present. Children will be researching key historical events that have shaped the culture, lifestyle and political landscape of Scotland by creating a timeline. The children will also be exploring different Scottish Inventors and Scottish Landscape.</p>
