What went well?

What could we do to make it even better?

Everything! The pillows for story massage and the movie clip with the questions. It was great!

It was amazing and the food was great!

Please organise more of these!

The children were so confident. I learned a lot!

I loved my experience today. All of the children were wonderful. It was perfect!

This would be great if we could do it even more frequently

I enjoyed every bit. The story massage was so relaxing!

The kids were amazing. Please organise more of these events!
