Second Level Activity Grids (P5-P7)

Handwrite your spelling words in 5 different fonts	Write a sentence using each spelling word.	Create an acrostic poem for one of your spelling words.	Create a word search and swap it with a friend.
Use a dictionary to write the definition of your words.	Put your words into Wordle online	Play spelling value to work out the value of your words. Vowels = £1 2 syllables = £2 3 syllables+ = £3	Place your spelling words into groups. Explain how you grouped them.
Create a crossword using your words.	Ball toss back and forth with a partner spelling each other's words	Play Headbandz with a partner. Give them clues to work out the word.	Put your words onto a scale from easiest to spell – hardest to spell. Write a sentence explaining why you ordered them that way
With a partner, write 4 dictation sentences using your spelling words.	Write a conversation script between two people using your spelling words.	Create an abstract artwork using only your spelling words.	Hop on one foot as you spell words, this is a great exercise in balance.
Create a song using your words. Record yourself singing your words	Create a riddle for each of your spelling words	Create a tongue twister using your words.	Write a poem using your spelling words.
List the words into 'easy' and 'hard' categories and explain your choices	Choose 5 words you feel are the most challenging. Write them out 5 times each.	Create a new group spelling activity to help others learn their words.	Partner spell: Take it in turns to spell each other's word letter by letter.

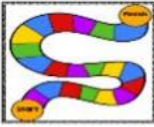

Second Level Speech and Language Home Activities

<p>How well do you know your concepts such as big, small, long, short, curved, straight etc? Work with a partner to see if you can take turns to find bricks to match the descriptions – for example “find me the long, rectangular green brick”.</p> 	<p>Read a story together with someone at home. Once you have read the story talk about who was in the story; what the characters were doing in the story and what they were doing it with (for example - playing on the swings); and where the story happened. This helps develop your sentence structure and vocabulary; as well as helping you to better understand WH- questions!</p> 	<p>Quick name! Name as many words as you can within a category in 60 seconds! Ideas could include: different foods, different methods of transport, countries around the world etc.</p> 	<p>Collect a mixture of random items from around the house and put them into a bag. Peek into the bag and describe one of the objects using as many adjectives as you can and see if your partner can guess what it is!</p> 
<p>Pick a word – can you make up a visualiser word map about the word, for example: What is the start sound of the word? What is the end sound of the word? How many syllables are in the word? What is the meaning of the word? Can you use the word in a sentence? What type of word is it, e.g. verb/noun/adjective? Can you draw a picture to match?</p> 	<p>Make a recipe together! Can you give your partner instructions about how to bake a cake? Can you listen to instructions from a partner and decorate a biscuit in a certain way?</p> 	<p>Play “who am I?” or “where am I?” with a partner. Example: “I work in a school and help children to learn – who am I?;” or “I am somewhere that is very quiet and I can see lots of people reading – where am I?”.</p> 	<p>Work with a partner and sit across from each other. One person hold the instructions so that your partner can't see them and explain (using only your describing words – no pointing!!) what bricks are needed and where to put them to build a model. Your partner has to listen carefully to the instructions to find the correct bricks and put them in the correct places!</p> 

Second Level Maths & Numeracy Home Activities

<p>Research a famous mathematician. How did they impact the world?</p> 	<p>Create a multiplication/division board game. Play it with your family.</p> 	<p>Find as many different examples of numbers within the environment as you can.</p> 	<p>Build something out of Lego bricks. Work out the fraction of each coloured brick.</p> 
<p>Estimate the perimeter and area of your garden or local park in metres. Convert it to cm and mm.</p> 	<p>Log on to Sumdog. How many questions can you answer correctly?</p> 	<p>Look through a catalogue or a website and find as many special offers as you can. E.g. 25% off or Buy One Get One Free. Work out if the offer is a good deal.</p> 	<p>Get someone to give you random numbers. Practise saying the number before and the number after the number.</p> 
<p>Use the internet to plan a weekend away for a family of 4. You must include transport and accommodation. You have a budget of £450.</p> 	<p>Using a TV magazine or a TV Planner choose different TV programmes or films. Note the start time, the end time and the duration of each one. Which lasts the longest?</p> 	<p>Practise time tables facts. Focus on the times tables that you find most challenging.</p> 	<p>Choose a famous landmark and draw it to scale.</p>

Non-screen activities you can do at home

Pobble

25
ideas!

What can you do when there's no school and you're stuck at home? Here are 25 fun ideas to choose from.

1 How many different words can you make from the letters in this sentence, below? Grab a pencil and paper and write a list!

'Learning from home is fun'

2 Thank a community hero. Think of someone that helps you in some way and write a short letter to thank them.

Thanks!

3 Get building! You could build a Lego model, a tower of playing cards or something else!

4 Can you create your own secret code? You could use letters, numbers, pictures or something else! Can you get someone else to try and crack it?

5 Start a nature diary. Look out of the window each day and keep note of what you see. Birds, flowers, changes in the weather, what else?

6 Hold a photo session. Use a camera or a mobile phone to take some snaps. What will you photograph? Your pets or toys perhaps?

7 Build a reading den. Find somewhere cosy, snuggle up and read your favourite book!

8 Use an old sock to create a puppet. Can you put on a puppet show for someone?

9 Make a list of all the electrical items in each room of your home. Can you come up with any ideas to use less electricity?

10 Design and make a homemade board game and play it with your family.

11 Do something kind for someone. Can you pay them a compliment, make them something or help them with a task?

12 Can you create a story bag? Find a bag and collect items to go in it that relate to a well known story. If you can't find an item, you could draw a picture to include.

13 List making! Write a list of things that make you happy, things you're grateful for or things you are good at.

14 Design and make an obstacle course at home or in the garden. How fast can you complete it?

15 Can you invent something new? Perhaps a gadget or something to help people? Draw a picture or write a description.

16 Keep moving! Make up a dance routine to your favourite song.

17 Write a play script. Can you act it out to other people?

18 Read out loud to someone. Remember to read with expression.

19 Write a song or rap about your favourite subject.

20 Get sketching! Find a photograph or picture of a person, place or object and sketch it.

21 Junk modelling! Collect and recycle materials such as yoghurt pots, toilet rolls and boxes and see what you can create with them.

22 Draw a map of your local area and highlight interesting landmarks.

23 Write a postcard to your teacher. Can you tell them what you like most about their class?

24 Draw a view. Look out of your window and draw what you see.

25 Get reading! What would you most like to learn about? Can you find out more about it in books? Can you find a new hobby?

You can become an Eco Hero by taking part in these challenges at home!

Sort through your clothes and toys. Make a bag to donate to charity. (When it is safe.)

Reuse a plastic pot or tub to make a boat that floats. (Recycle it when you're done.)

Turn the tap off while you're brushing your teeth to save water.

Turn off your light, TV, PlayStation etc. when you're not using them to save energy.

Do an activity that doesn't need any electricity! E.g. read, draw, play hide & seek.

Make a collage using recycling only! How creative can you be?

Make a bird feeder from recycling. You could hang it from a window and watch the birds.

Decorate used tin cans to create eco friendly plant pots and vases.

Refill the same cup or water bottle and use it all day to save water when washing up.

Can you photograph something that fits for each day? You can use a camera, phone, or device.
