

Class Learning Information

We hope you find this information helpful. This is just some of what your child is learning in class this Term!

Languages

We will be working on Writing stories and developing our use of ambitious vocabulary and conjunctions. Our class novel is 'The Breadwinner'. Public speaking will be extended through short class talks. The pupils will work on Note taking and then expanding them into a fuller piece of writing. We will also work on the use of persuasive language. In Grammar, we will be learning about contractions; irregular past participles; verb tenses; adverb placement; proof-reading and prepositions. These skills will help your child to up-level their writing to ensure it makes sense and interests the reader.

Numeracy and Mathematics

In Mathematics we will be learning about-

- Partitioning of numbers
- 2D and 3D Shape
- Algebra
- Angles-Drawing and measuring.
- Problem Solving

Religious Education

Our RE this term will explore-
