

ST. PAT'S POST

October 2024

A wild time on the waverly!

In August, P6 and P7 pupils took a 9-hour long trip on the Waverly! They set off to the science centre first thing to board the Waverly. The boat sailed up the River Clyde providing some great views. Pupils also got a sneak peek into the boat's engine- it was so interesting! Finally, they arrived at their destination of Dunoon. The group explored Dunoon and eventually settled at the castle for some lunch. They got to wander around the castle after lunch before heading home to Glasgow.

Grace (P6/7)- listening to music

Sam (P6/7)- Beyblades

Martyna (P7)-being creative

Matthew (P7)- gaming

Niamh (P7) - cats

Andy (P7)- football

Miss Balloch- baking

Written by Jasmeen & Sharanya (P6)

An Audience with Callum Deboys

At the end of September, St. Patrick's were lucky enough to get a visit from Paralympian Callum Deboys. He told us about training as a cyclist and Nordic skier as a Paralympian- it sounds very challenging! Callum shared with us about his skills, diet and how he is a chef. After his presentation, he took each class to the gym hall and showed us some exercises such as running on the spot and leg drives. As a school we collected sponsor sheets and raised lots of money.

Busy Bees!

At the beginning of September, P2/3 and P3 went on a trip to the SkyPark to meet some bees. They had to wear special outfits and got to handle bees honeycomb. They then found out about the different jobs the bees have. The team then invited us back to harvest honey when it is ready- we can't wait!
