

Starbooks Librarians

Article 15 Friday Starbooks Librarians are a group of dedicated and enthusiastic pupils who wish to promote reading for enjoyment throughout the school. They will be responsible for the organisation of our school library, 'Starbooks' as well as, leading pupils in books clubs, assemblies and 'book buddies' schemes. Our Starbooks Librarians are committed to promoting reading outside and will host fundraising opportunities to enable us to create an outdoor literacy shed in our playground. Meet our fantastic team below:
