

Inspired by our local ship building tradition...

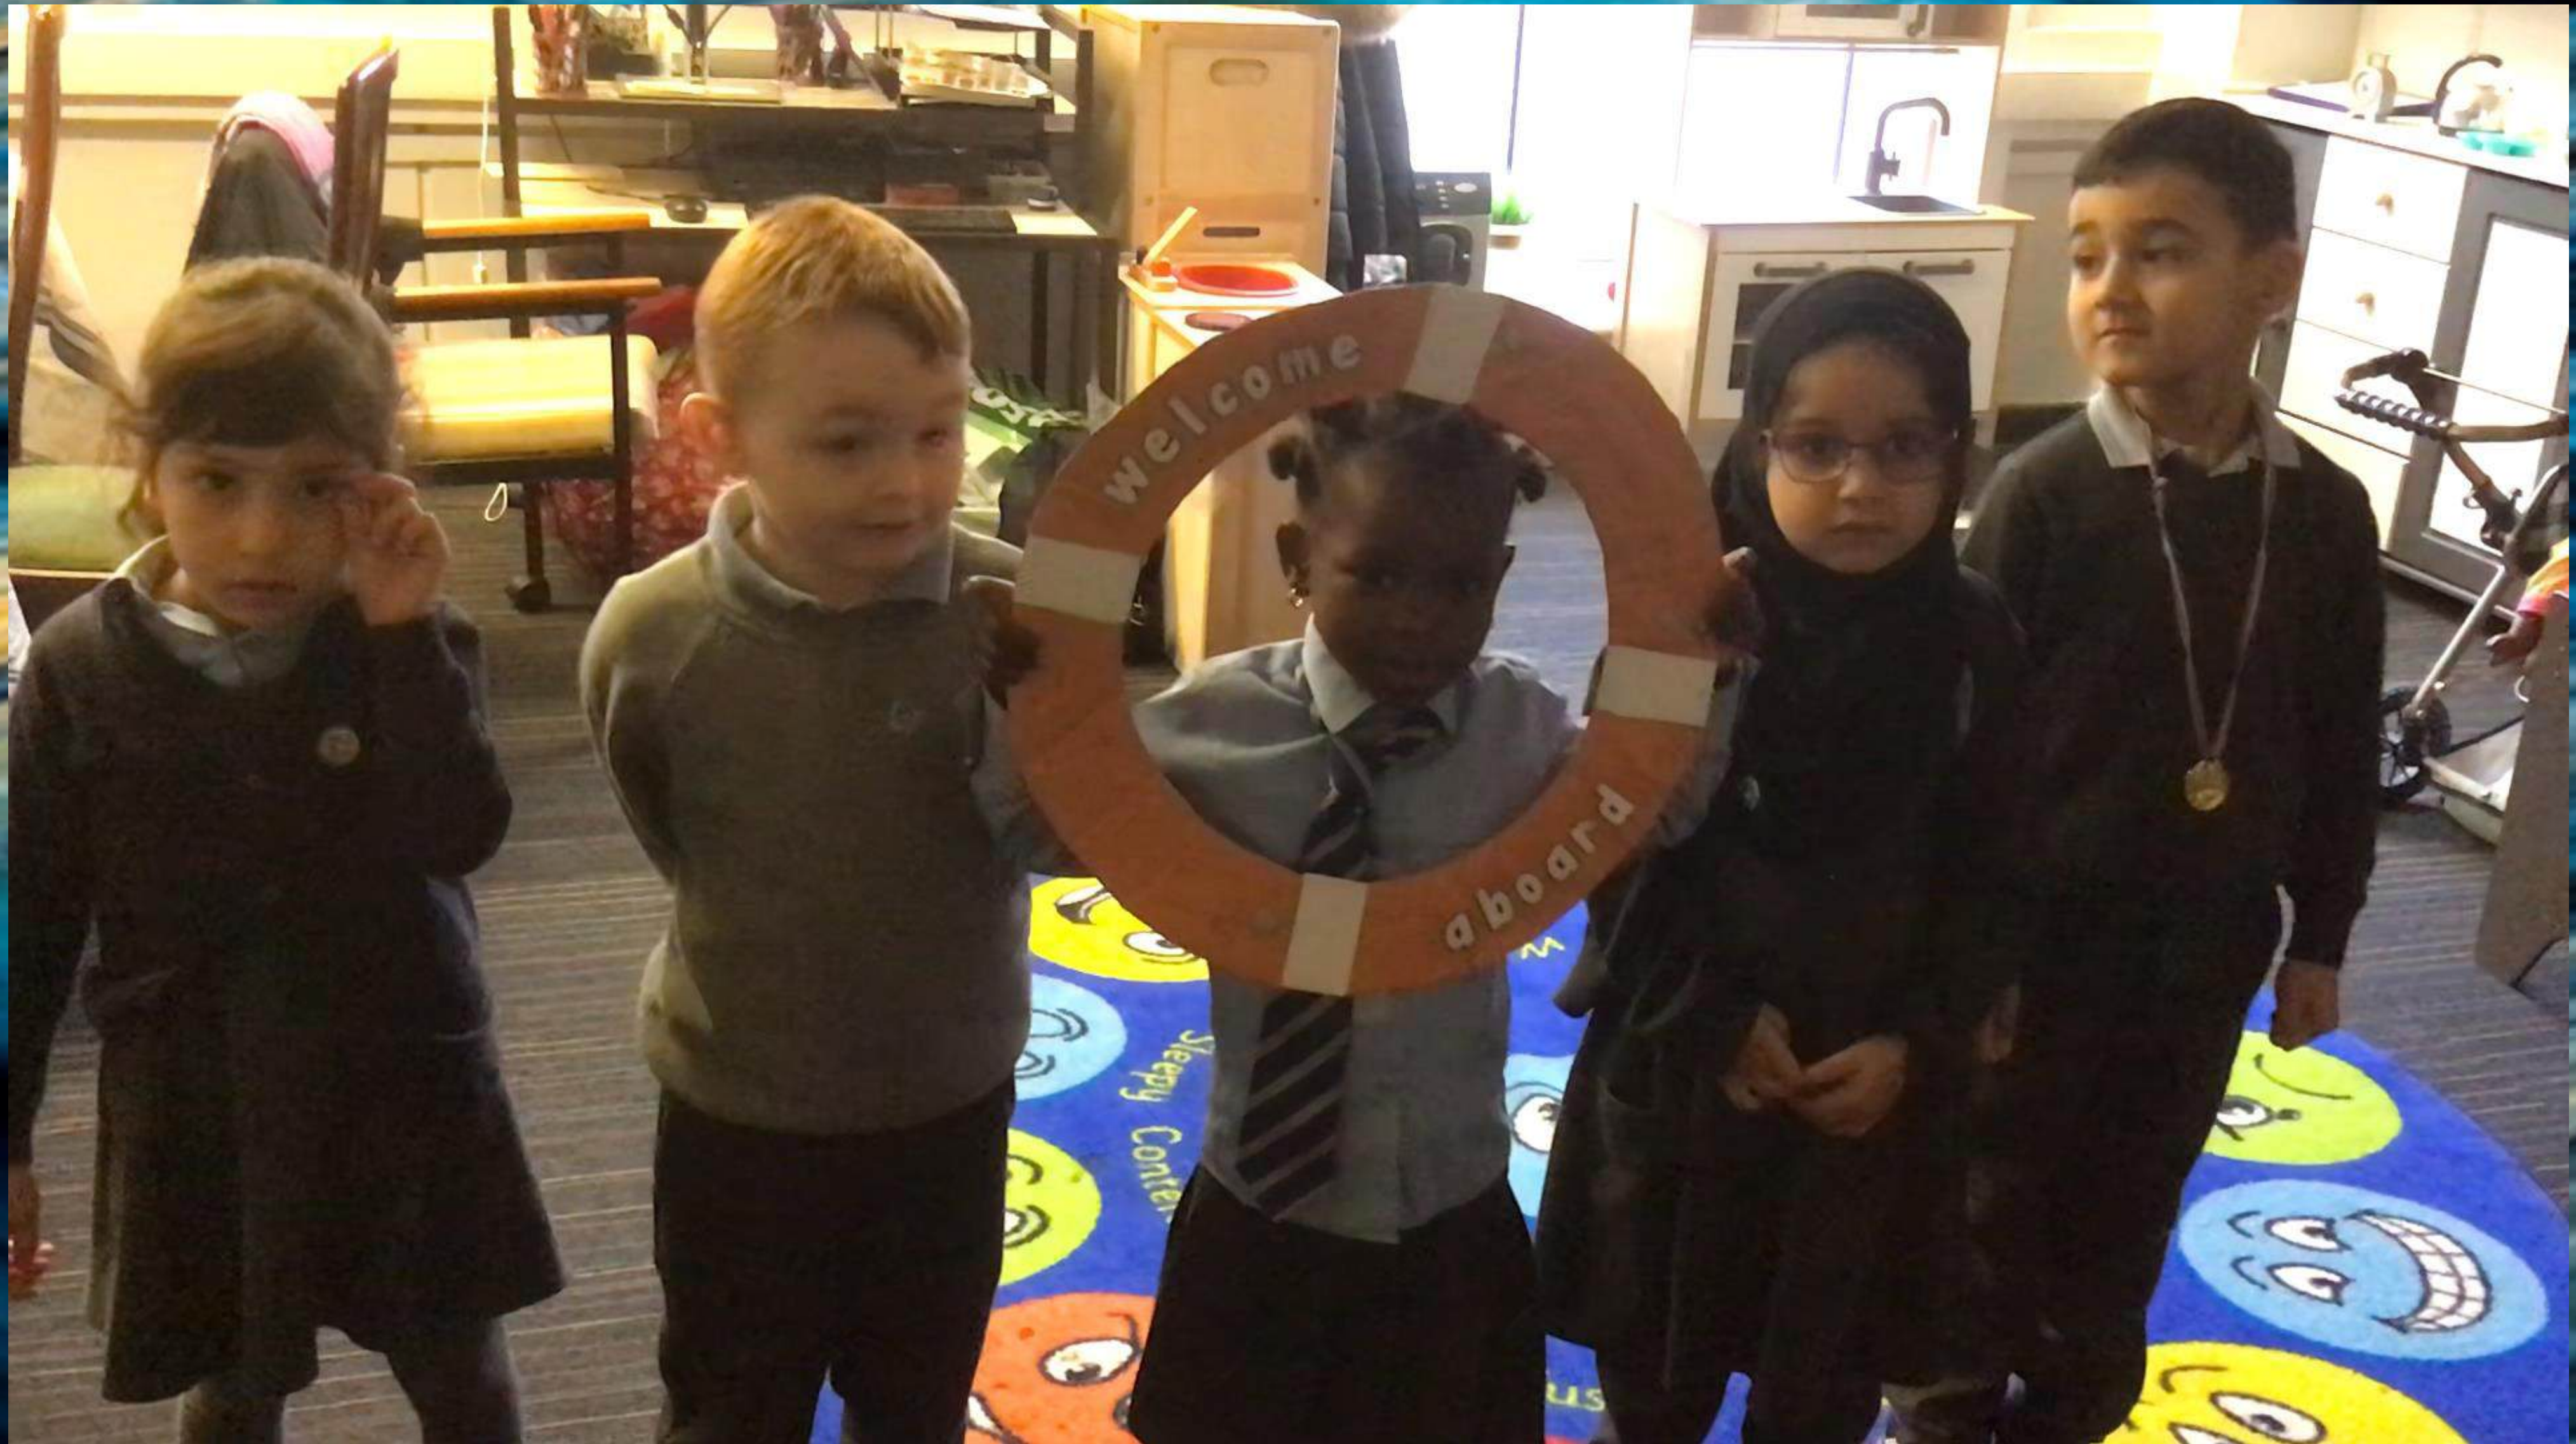

Welcome  
aboard...

# The Friend Ship

# What is The Friend Ship all about?

Our learning in The Friend Ship is based on 6 principles:

Children need  
to feel safe

Children need  
to feel good  
about  
themselves

Children learn  
at their own  
pace

Children need  
help to  
communicate  
feelings and  
ideas

Children need  
help with  
changes

Children's  
behaviour  
gives us  
important  
messages

# Children need to feel safe

We have  
space to relax.

# Children need to feel safe

We have space to play safely.

# Children need to feel safe

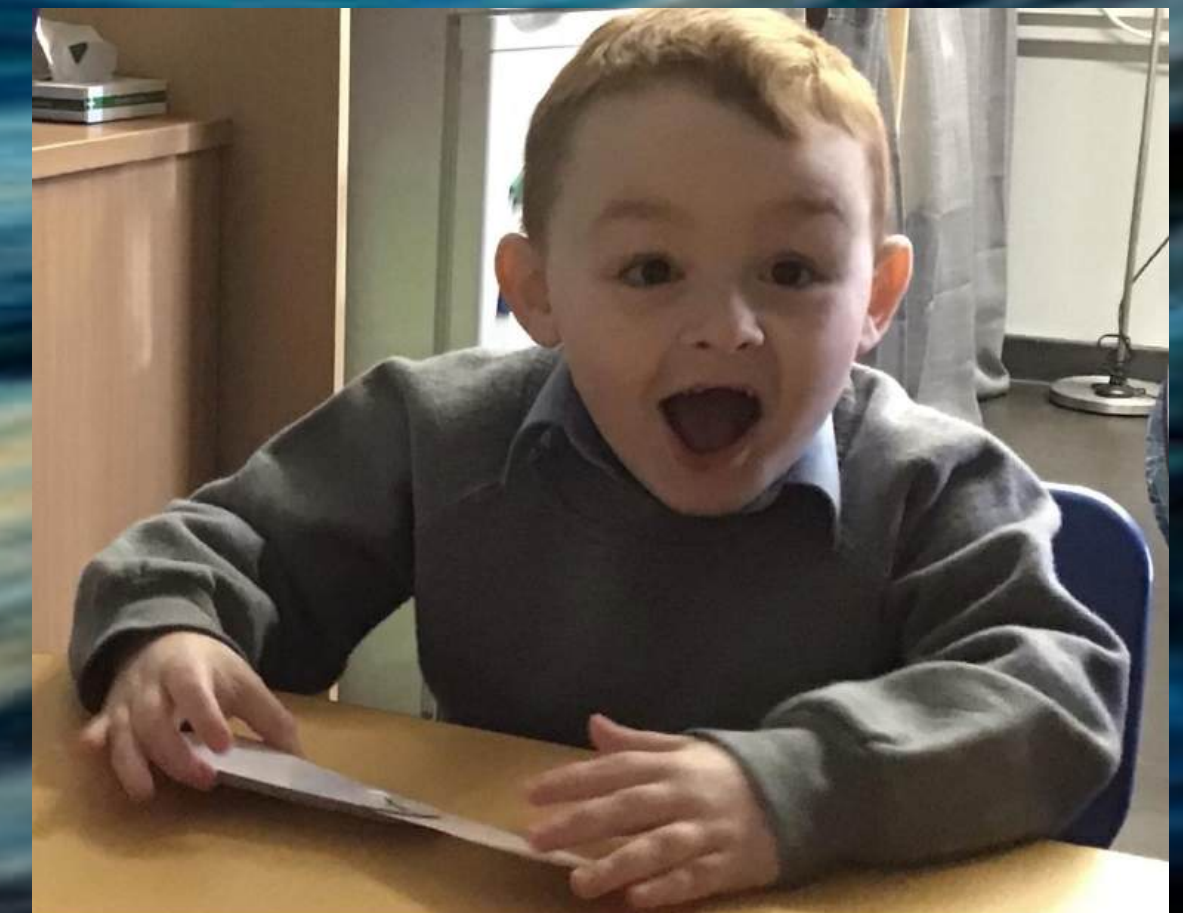

We have a  
calm corner.

# Children need help to communicate feelings and ideas

We talk about  
our  
feelings every  
day.

# Children need help to communicate feelings and ideas

We share our thoughts at snack time.

Asking for fruit at snack time.

# Children need to feel good about themselves

We can help  
and do jobs.

# Children need to feel good about themselves

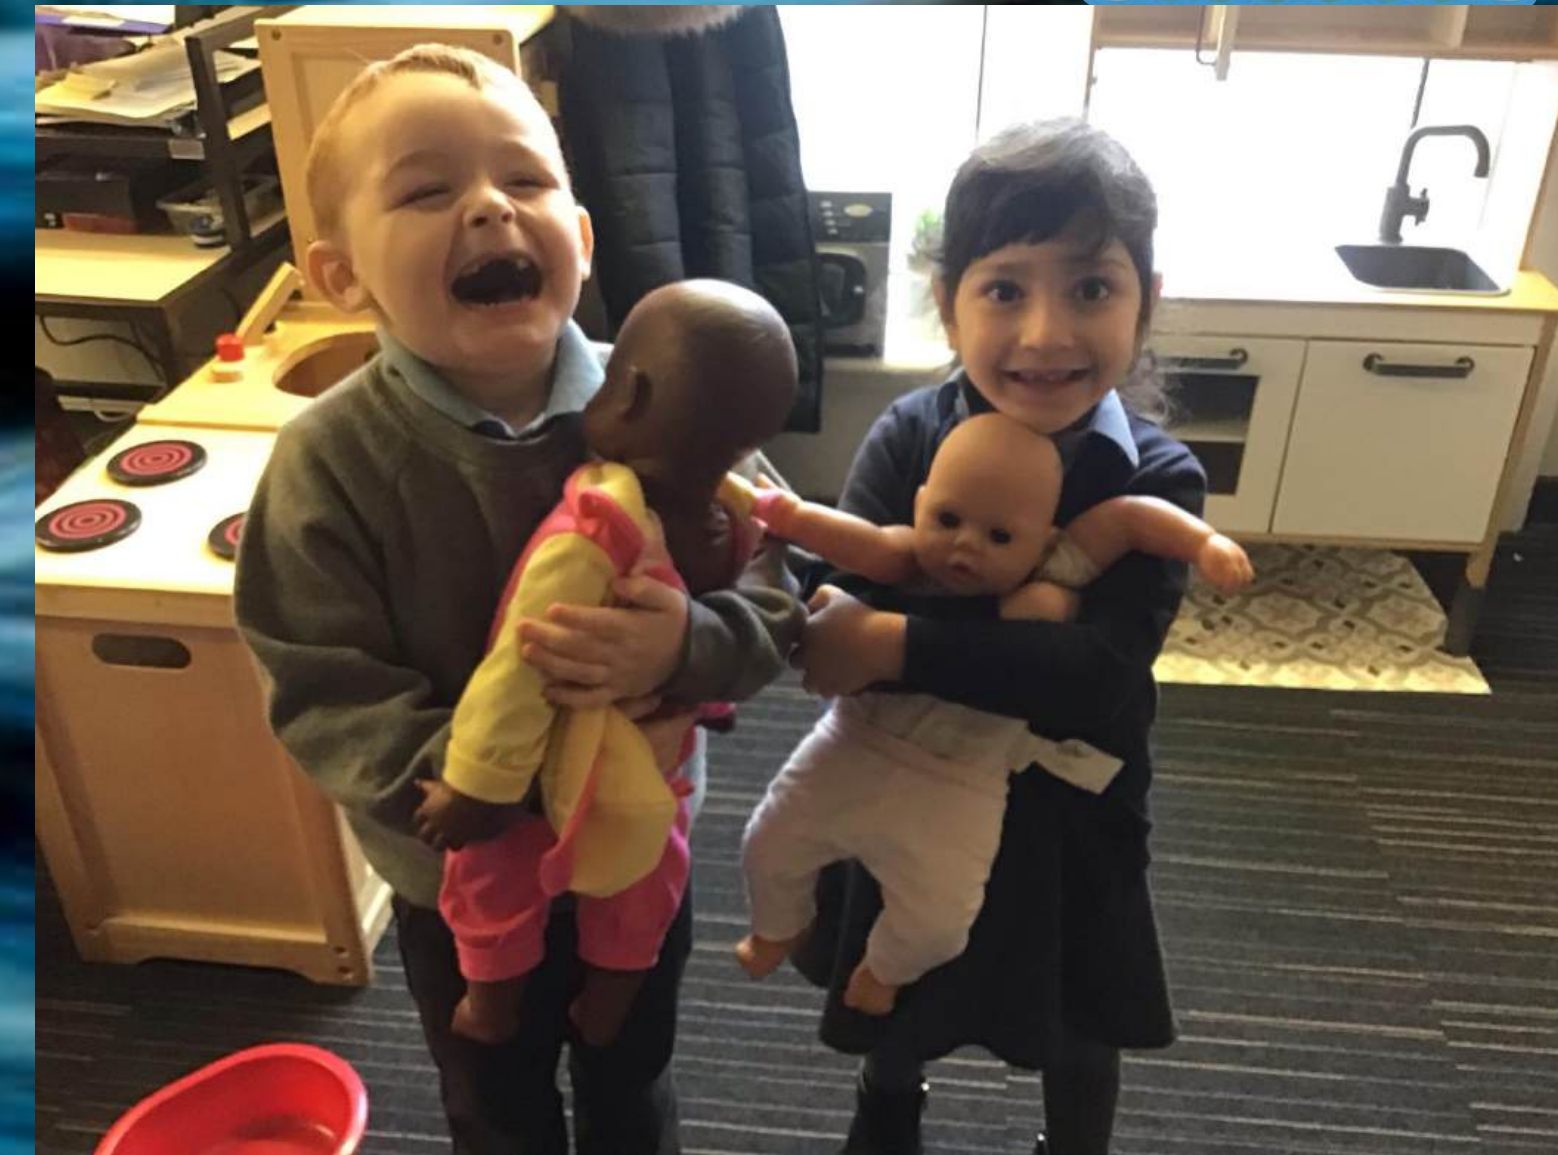

We feel good about learning  
new things!

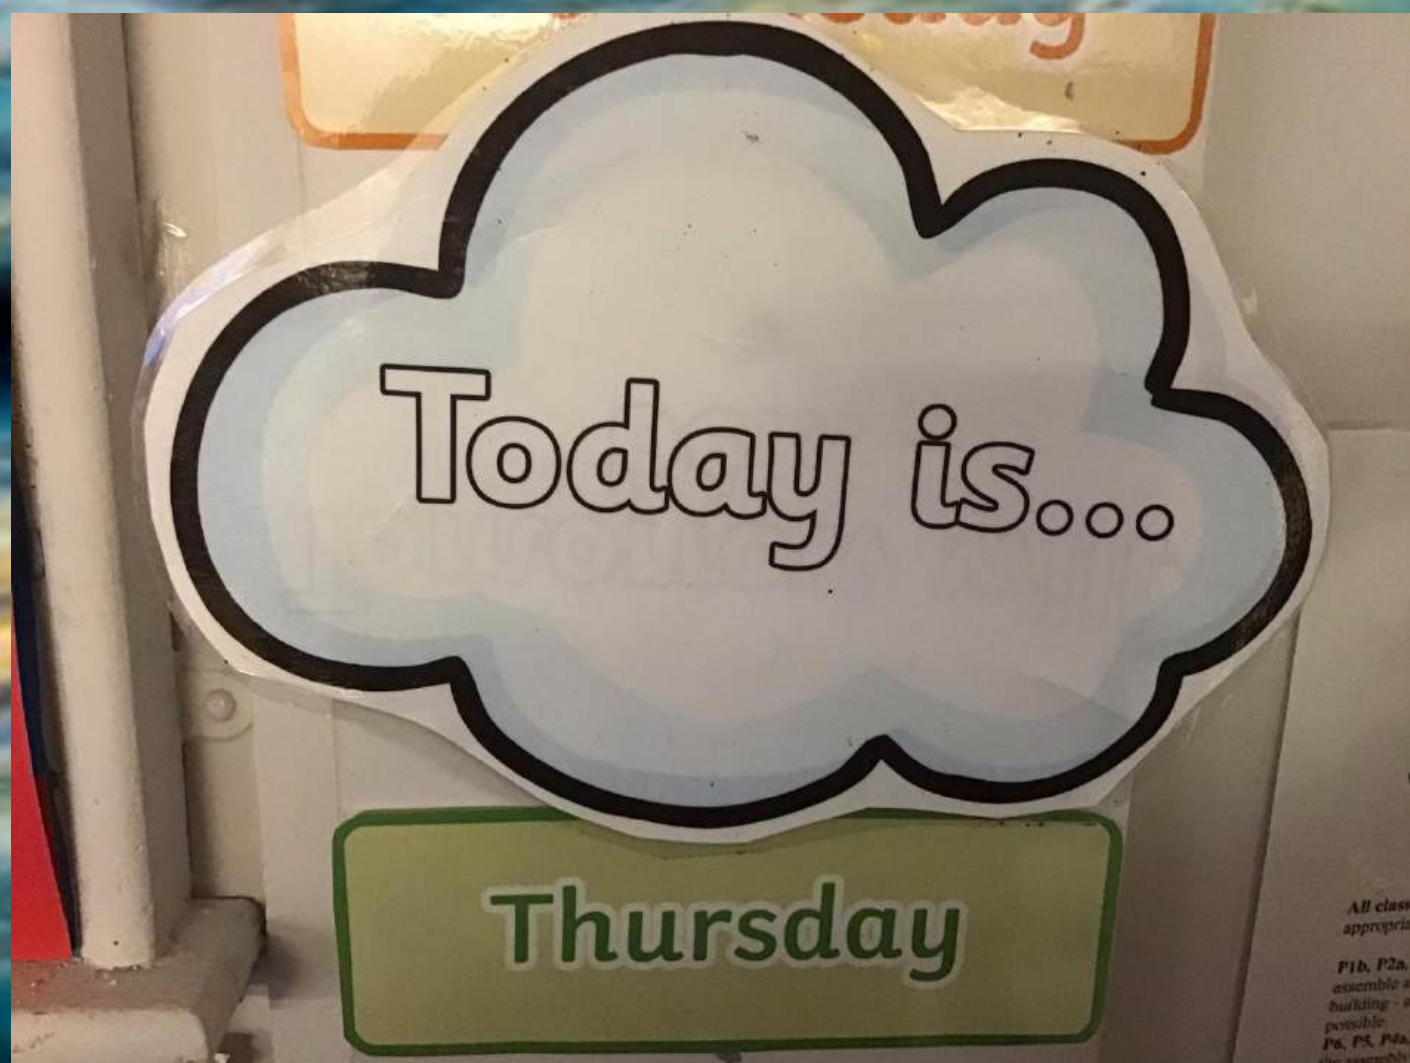

# Children need to feel good about themselves

We have  
friends!

# Children need help with changes

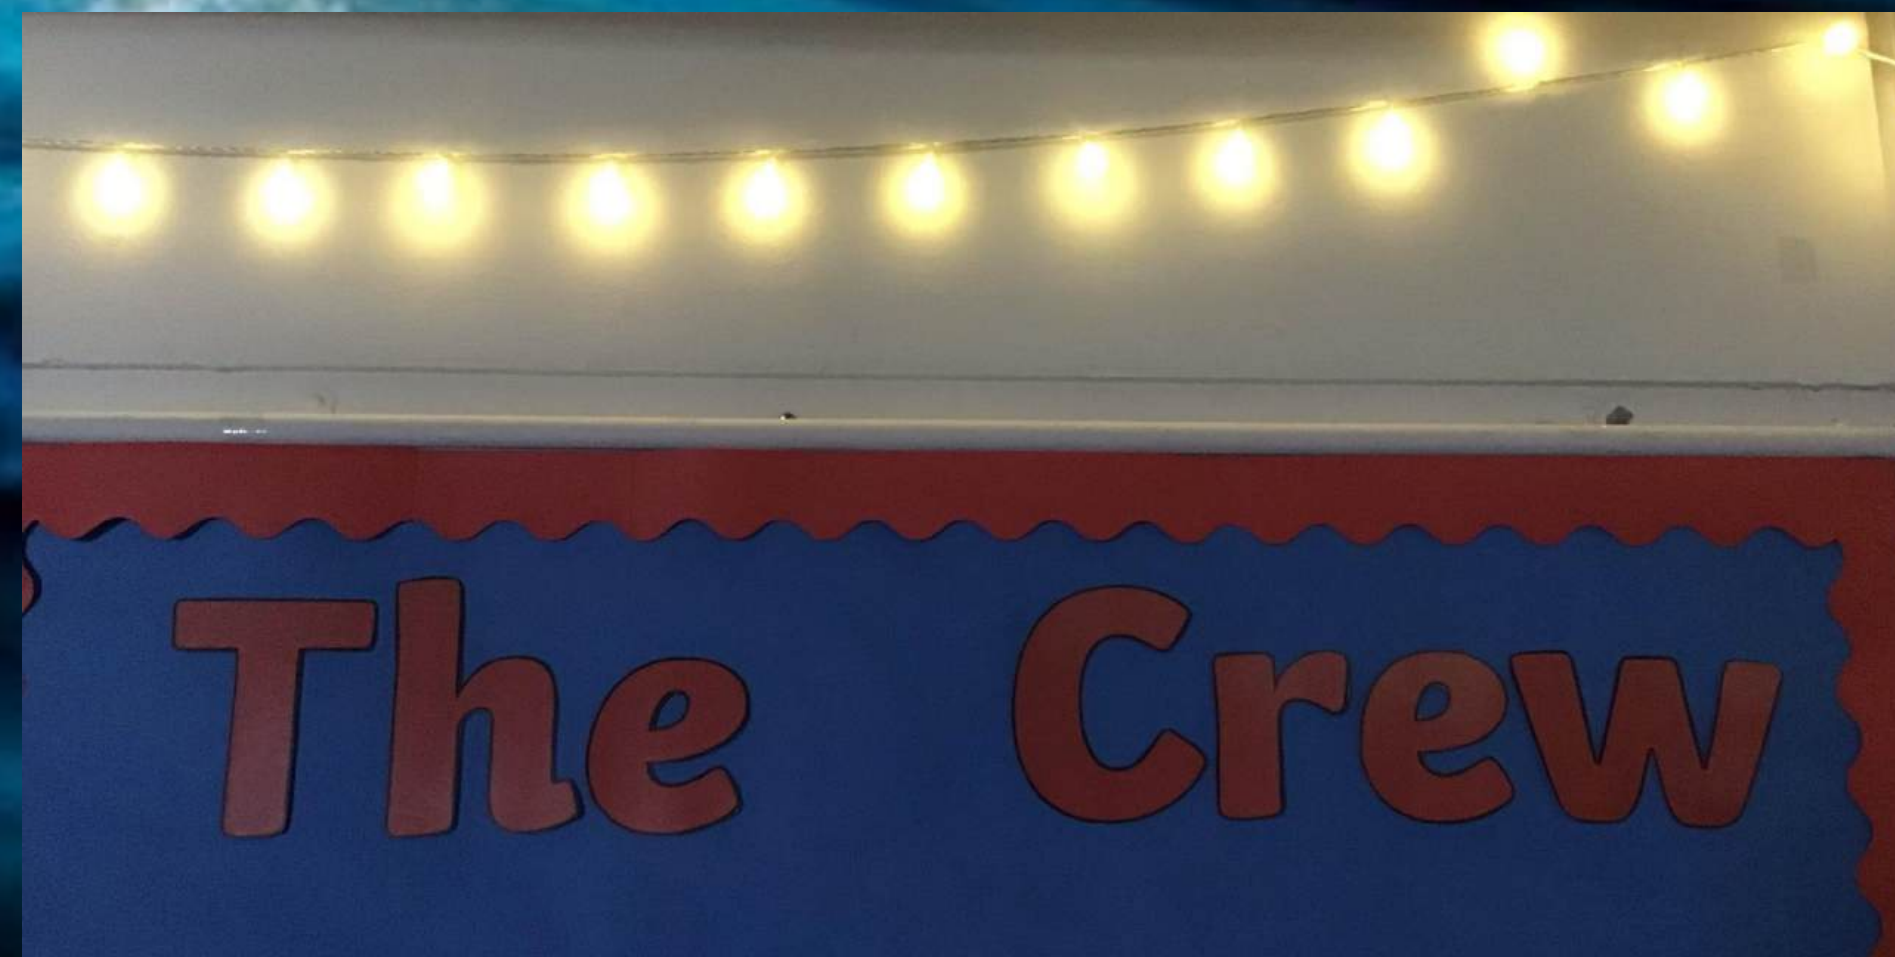

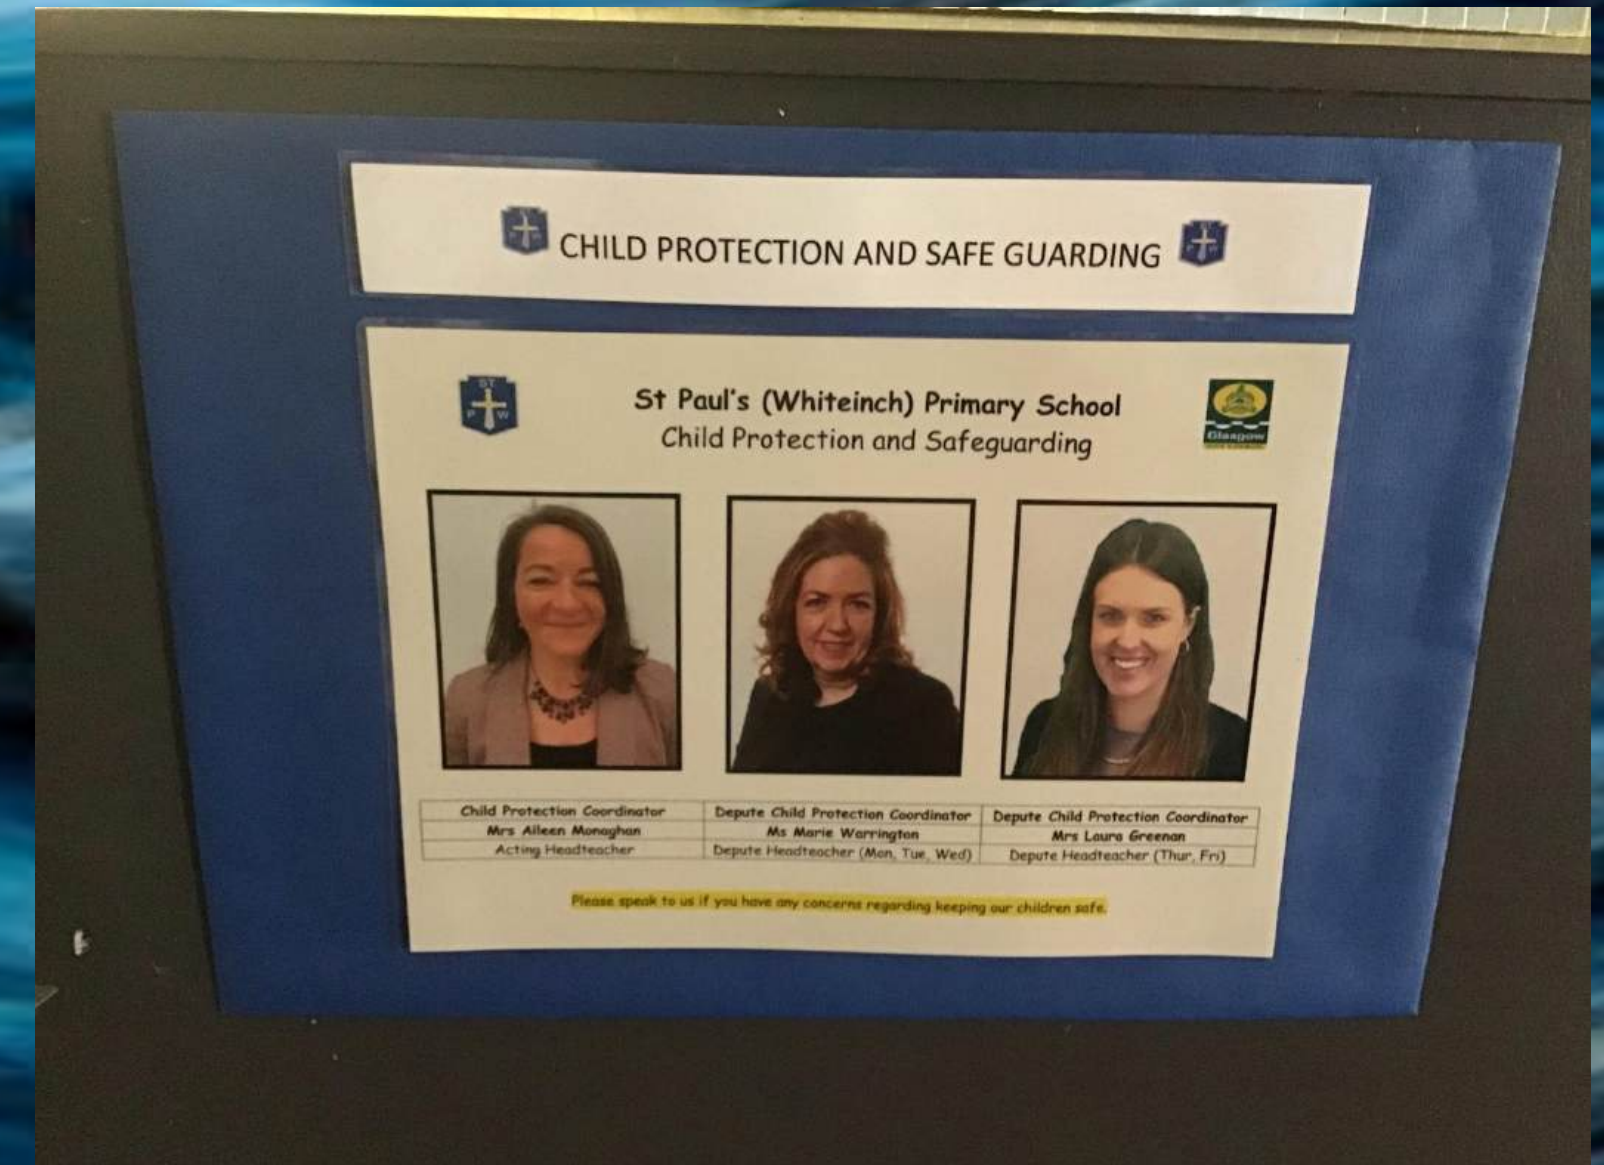

Timetable  
and timers

# Children need help with changes

We have adults  
to help us with  
change.

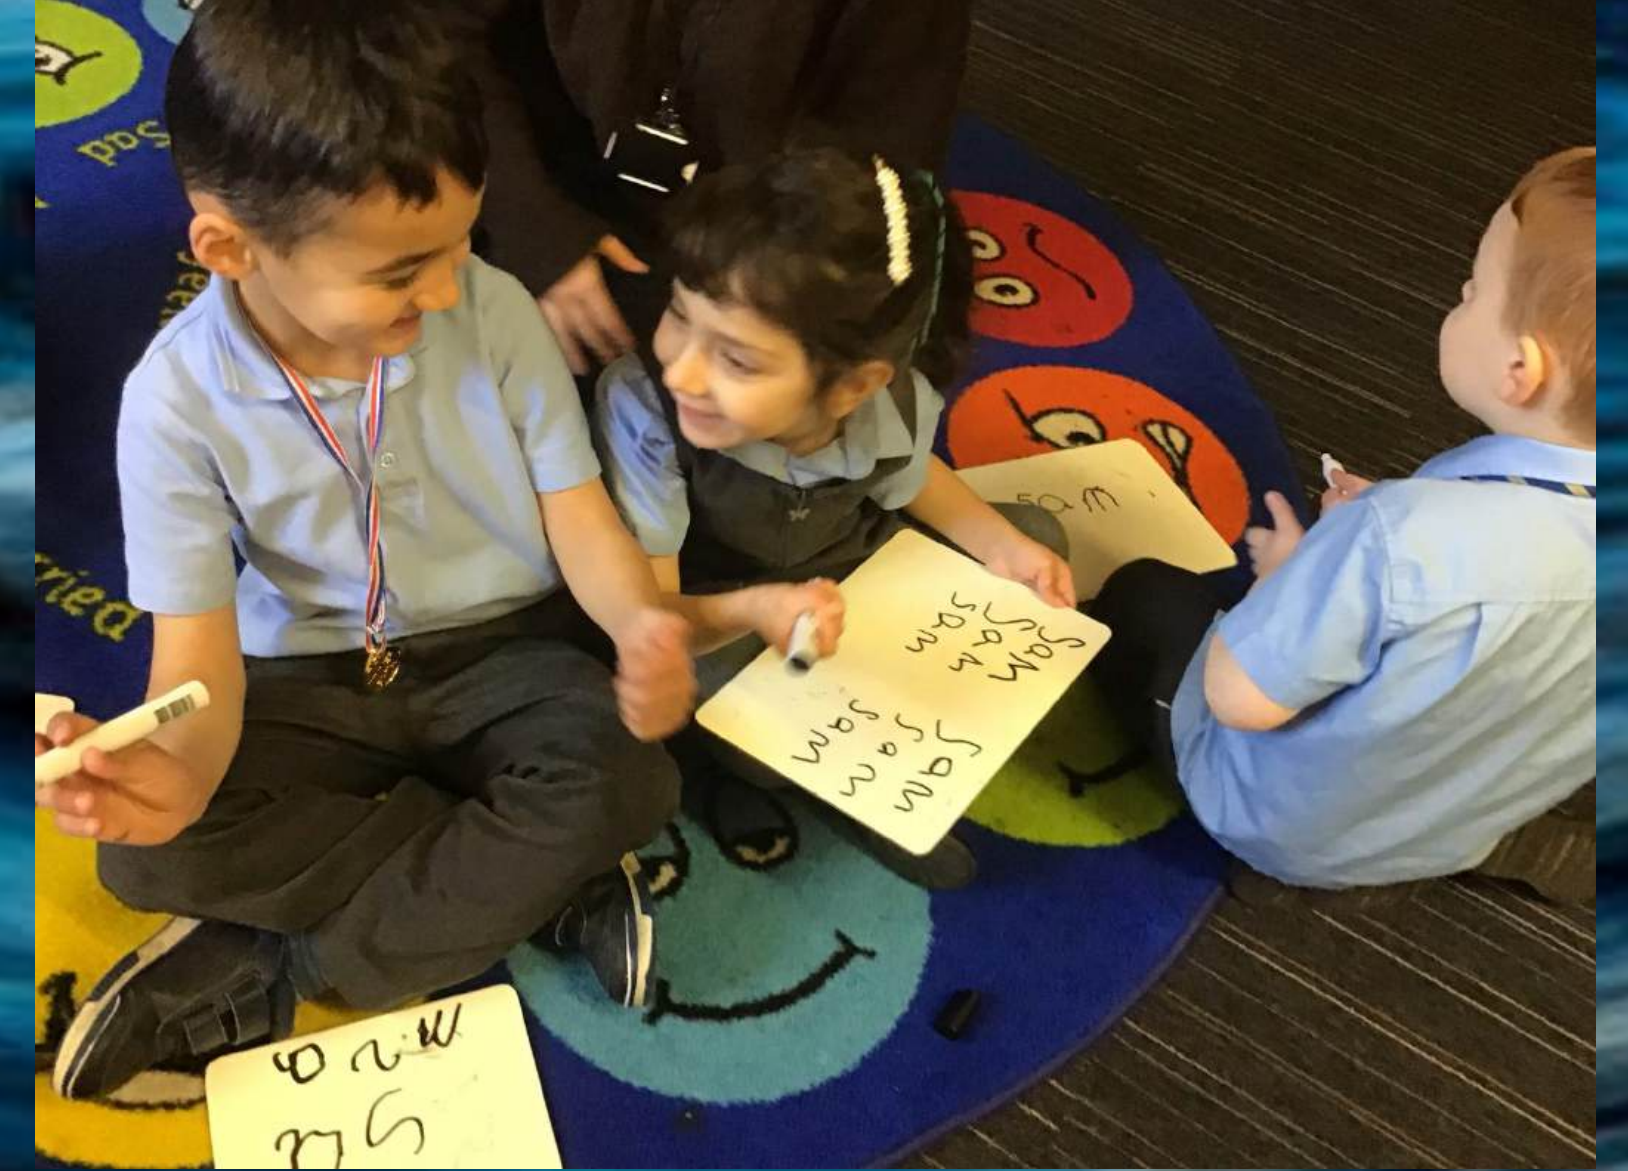

# Children learn at their own pace

We learn in lots of different ways.

We learn in  
lots of  
different  
ways.

# Children learn at their own pace

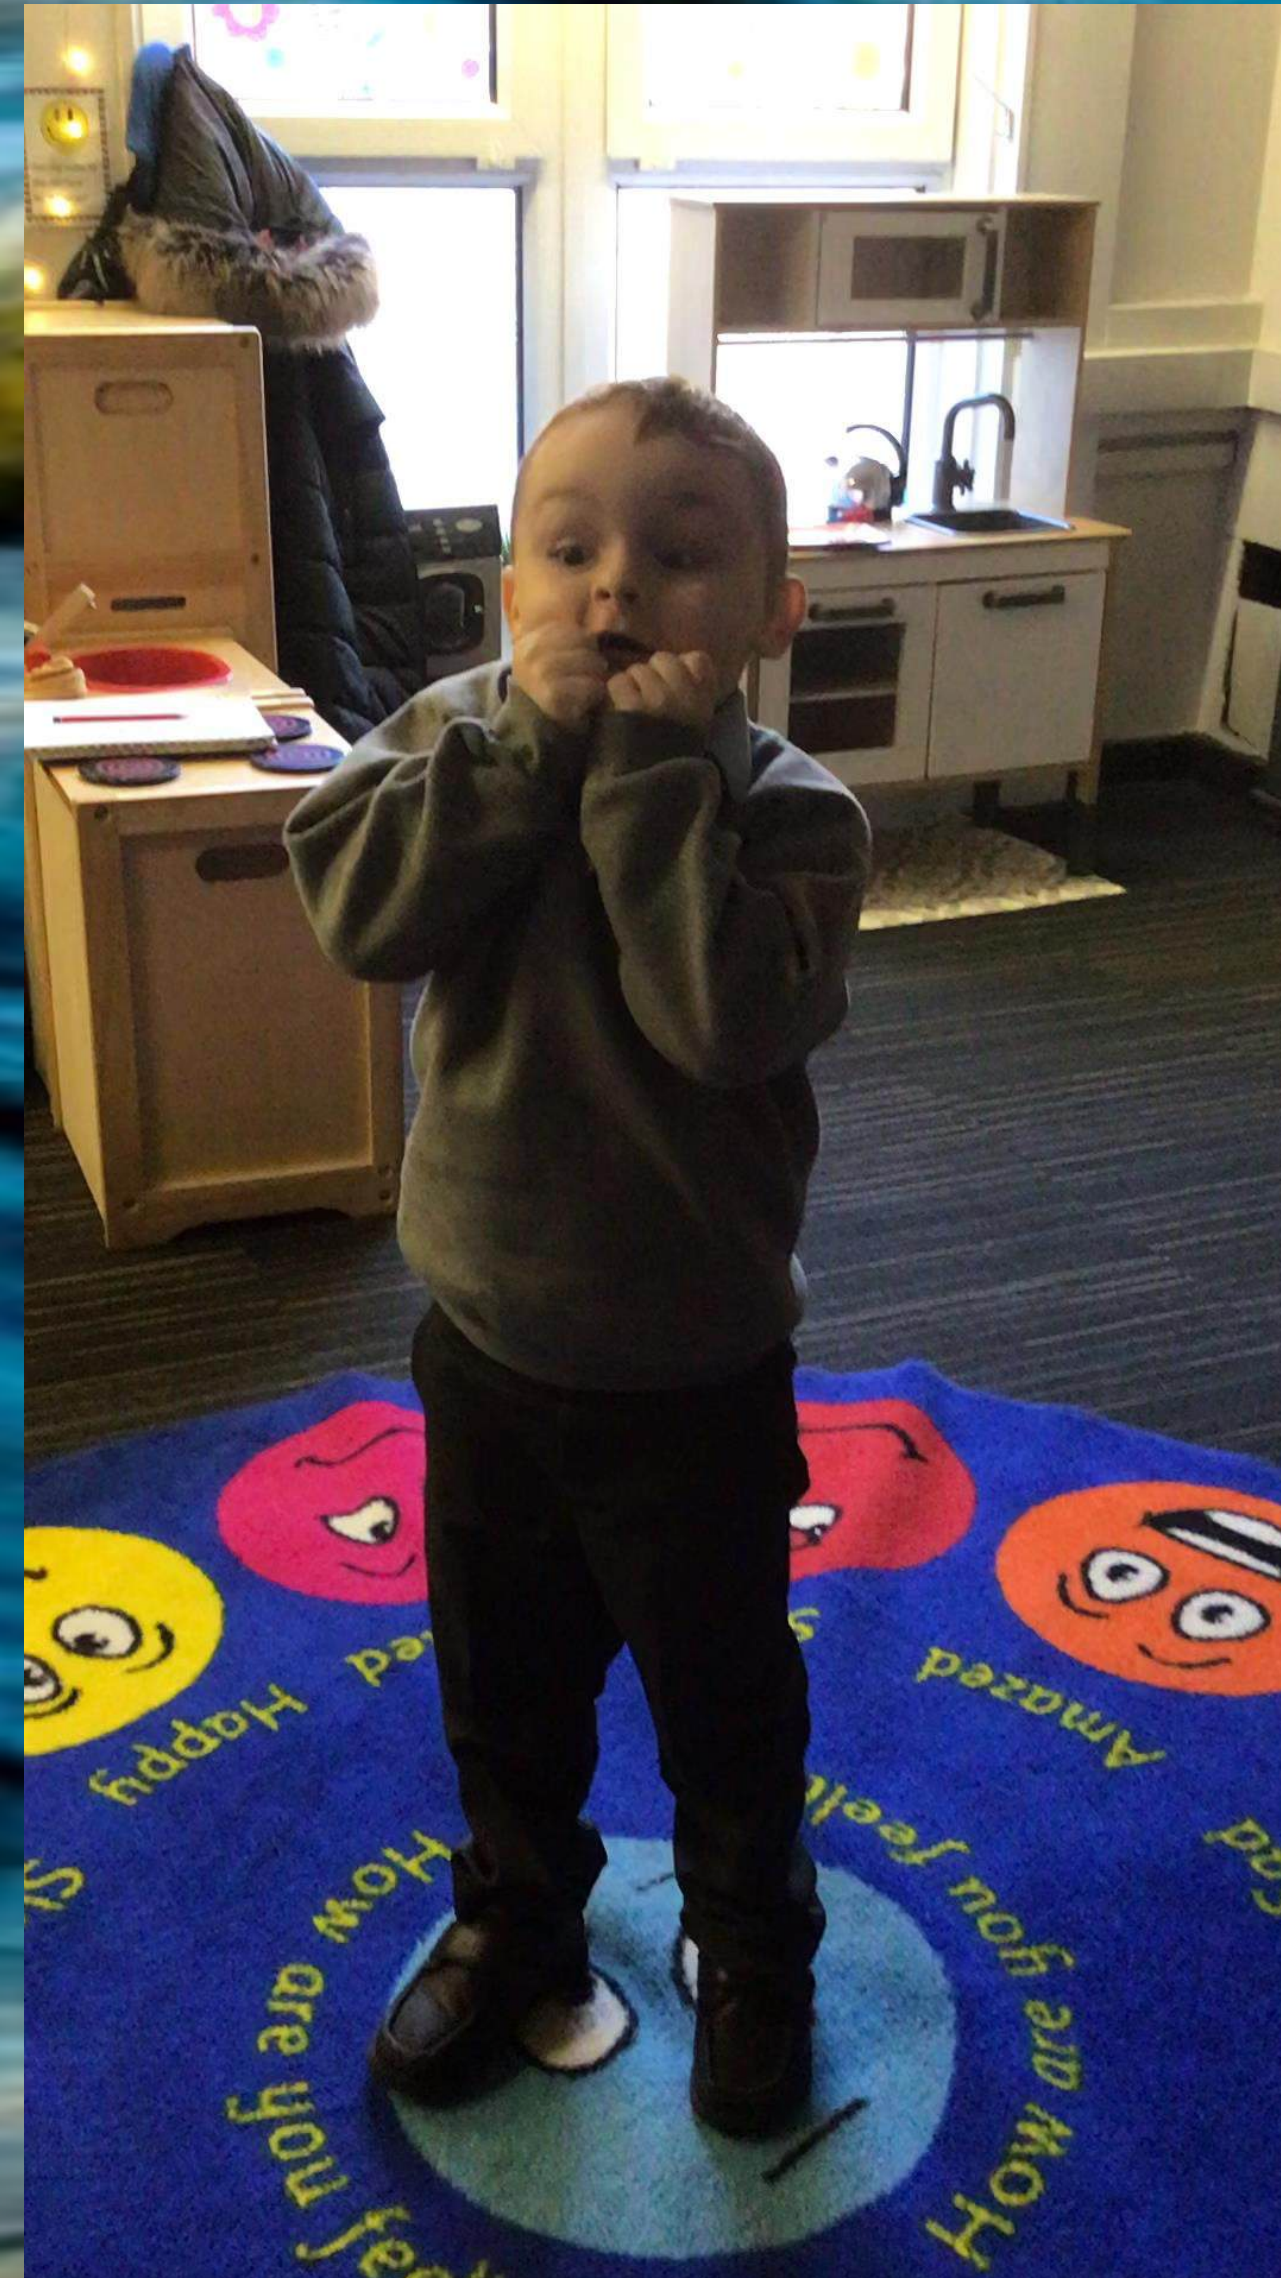

We have targets for our next step.

Children's behaviour gives us important messages.

# Afternoon Groups

The same 6 principles are important within our afternoon groups. We learn about lots of things, such as managing our emotions, dealing with change and feeling safe in school.

# What is The Friend Ship all about?

The principles of The Friend Ship are important throughout our school!
