

Happy Holidays!

The Easter holidays have arrived once again and it's time to take a well-deserved break after another busy school term. We now all have two weeks off to recharge the batteries before we all come back again on **Tuesday 19th April** ready to take on Term 4.

If you're looking for some motivation to get active during the holidays and throughout April, then why not take part in our #ActiveApril challenge. For the remainder of the month of April, your challenge is to be as active as possible. This can be any form of exercise - a walk, a jog, playing football, a bike run or anything at all. It can be as light, moderate or as intense a workout as you like. It can be on your own, with your family or even with your pet. If you choose to get involved, keep a note of what you do and fill in the diary below. We would also love to see what you get up to during the holidays and celebrate your successes, so feel free to tweet us a photo using the hashtag #ActiveApril
