School Choir

Last week the school choir performed at the Fairfield club as part of the 5th Govan Music festival. As always, they were an absolute credit to both the school and their parents. My thanks go to Mrs Rodgers for preparing them so well.

Sacraments

Our Primary 7 received the Sacrament of Confirmation on Tuesday 24th February in St Constantine's and our P3's received the Sacrament of Reconciliation on Thursday 26th March at St Anthony's. Primary 4 will make their First Holy Communion on Saturday 9th May at 11am in St Anthony's Parish Church. They are preparing well and will be going to confession before the big day. Let's hope for good weather.

Latecoming

Since Mrs Kane and I started leaving the gate at Neptune Street at 9am the number of persistent late comings has decreased. Well done to both the children and parents for ensuring most children are now in the building before 9am. Let's keep this up!

Parking around the Campus

Once again can I stress that both Neptune Street and Southcroft Street are restricted parking areas and should not be used to drop children off between 8.30 and 9.30am. This is enforced by a Police presence on random mornings and can result in a £50 fine. The school strives to be a good neighbour so can I also ask that no residents driveways are blocked by cars visiting the school. Our neighbours should always be able to access and leave their property. Please don't park on the Zig Zag lines outside the school gate. Thank you for your cooperation in this matter

Earrings and jewellery at P.E.

There are still some children asking if they can tape over earrings to take part in P.E. The simple answer to this is No. Glasgow City Council safety policy specifically states that all earrings and jewellery must be removed before taking part in any physical activity. If your child can not do this themselves, please remove earrings before they come to school on a Monday and Thursday. If new piercings are getting done the best time is at the start of the summer break.

Parents Night

Thank you to all the parents / carers who attended our parents' night last week. The turnout was very encouraging.

Govan Graving Docks

Primary 5 were delighted to be involved in the opening of the new park on the site of the Govan graving docks last Friday. The children really enjoyed getting to see the new facility despite the poor weather. They got to work with Sunny Govan Radio and conducted some interviews with visitors to the opening. Perhaps they are media stars in the making.

Clyde in The Classroom

Primary 5 took a subway trip across to the river Kelvin to release the brown trout fry that they had been rearing in the classroom. The fry (young trout) had arrived in the class as eggs and grew into young fish. The children got to learn about the life cycle of the fish and do some work on the food chain that they would be part of.

Sumdog Champions

P7 were the overall winners of last month's Sumdog challenge and will be presented with a special certificate at assembly this week by Sumdog himself. Well done, P7!

Super 7 Athletics

Some of our pupils took part in the super 7's athletics event at the Emirates Arena. Although they didn't win, they competed very well against some very strong opposition and represented the school in a very positive way.

Reading For Enjoyment

As you know reading for enjoyment is a big focus this year in St Saviour's and the children and staff have been doing a lot of work around this. As part of this we were successful in securing an award of two free books for every child in the school. Once these arrive, we will organise some kind of a celebration to distribute them. My thanks to Mrs Neilson for organising the bid for this excellent opportunity.

First Friday Mass

We continue to visit St Anthony's on the first Friday of the month for 9.30 Mass. The children are always a credit to their parents and the school both on the walk to St Anthony's and by the respectful way they behave in Church. Parents of all faiths are very welcome to come and join us at these Celebrations.

As usual if there is anything you want further information on or to ask about, please don't hesitate to get in touch.

Best Regards

B Tracey H.T.

Important Dates

April

Thursday 2 nd	2.30pm Early Finish
Friday 3 rd – Sunday 19 th	Spring Break School Holiday
