Newsletter April /May 2026

Welcome to our April / May newsletter and the first of the new term. As always, the summer term is a very busy one and seems to fly passed in a blink of an eye. Before we know it we will be finishing for the summer holidays.

Transitions

This term sees our Primary 7 pupils doing more work with Lourdes Secondary in preparation for their move to High School after the summer. Some of the staff will be coming to St Saviour's and working with the children and on Tuesday 5th and Wednesday 6th the children will be attending Lourdes for their induction days. Also, this term our future Primary 1 children will be attending 3 transition days where they will come and experience what it is like in a Primary classroom setting.

Sacraments

Primary 4 will make their First Holy Communion on Saturday 9th May at 11am in St Anthony's Parish Church. They are preparing well and will be going to confession before the big day. Let's hope for good weather. There will be a parents meeting in school on Wednesday 29th April at 2.15pm to go over what is expected on the day and any last minute arrangements.

Extra Bank Holiday

In celebration of the Scotland National Football team qualifying for this year's World Cup the Scottish Government have declared an extra Bank Holiday and Glasgow City Council have agreed to grant this. Therefore, the school will be closed on Monday 15th June. Let's hope the teams performance makes it worthwhile.

As part of the World Cup Celebrations some of our P4 children will be taking part in a football festival at Toryglen Sports Centre on Friday 5th June.

Govan Fair Cup

St Saviour's football teams will be competing in the Govan Fair Cup again this year with the girls team playing on Tuesday 26th May and the boys team playing on Wednesday 27th May. Both events will be at the Ibrox Complex. The boys will be hoping to defend the trophy they won last year and the girls team will be hoping to win it for the first time. Let's wish both teams the very best of luck. My thanks go to Mrs Neilson, Mrs Gallacher and Mr Wallace for taking training all year.

Non-Uniform and Disco Day

On Thursday next week (30th) we will be having a non-uniform and end of day disco to help raise some school funds. The children can come to school out of uniform with the usual proviso of no football colours or inappropriate slogan tops. The disco will run from 3 - 4.30 pm and the charge for the day is £2 per child or £5 all in, if more than two children. Children attending the disco will be taken straight there by staff and should be picked up at the Govan Road side door or make their way home as normal at 4.30pm. The children who are not attending the disco can still take part in the non-uniform day and should be picked up as normal at 3pm.

Go Yellow Walk Wednesday 27th May

Our primary 6 & 7 children will once again be taking part in the Go Yellow Fund-raising walk in aid of the Marie Curie charity. This will be an all-day event and the children will be sponsored. More details and a sponsor form will follow.

Sports Day

We will be holding our annual Sports Day events on Thursday 11th June and a timetable will follow shortly. Parents are welcome to come along and watch the outdoor events.

Fun Day Thursday 18th June

Sadly, because of the ever-increasing cost of buses at the moment, we will not be going on a whole school summer trip this year but will instead be holding a Fun Day in school. The day will be filled with fun activities, an outdoor picnic and a theatre show. There will be no charge for this.

Report Cards

The end of year report cards are being completed at the moment by your child's teacher(s) and will be getting sent home on Friday 12th June.

P7 Leavers Activities

As they attend their last week at St Saviour's our Primary 7 pupils will be taking part in three events. On Monday there will be a Leavers Assembly in the afternoon, on Tuesday there will be a Leavers Mass at St Anthony's 10am and a Leavers Disco 6-8pm. Parents are welcome to attend both the assembly and Mass.

Staff Changes

As is often the case we will be having some changes in staffing.

Mrs Rogan will be starting her maternity leave on the 20th May. I am sure you will join me in wishing her a healthy maternity and we look forward to hearing the good news when baby arrives.

Mr Wallace, Miss Harte, Miss Sloan and Miss Burns all sadly end their stay at St Saviour's and move on to pastures new. I would like to thank them for their hard work and dedication this year, they will be missed.

Mrs Lalaoui is retiring at the end of the school year after many years of service. I am sure you will join me in thanking her for everything she has done for the school and the children and wish her a long and happy retirement.

Mrs Macdonald will be returning next session after her maternity leave and Mrs McGeever will also return to St Saviour's, we look forward to welcoming both back.

Water Bottles

As we get into the warmer weather lots of children are asking for drinks of water. If possible could your child bring in a refillable water bottle rather than us giving out cups as these often get spilled.

As always if you require any further information on anything mentioned or wish to talk to me about any other matters, please feel free to contact me.

Best Regards

B Tracey H.T.
