Where can you find the work?

Each year group or NQ level has an English Year Group team where pre-recorded lessons are uploaded. Alongside this, all BGE classes will have a regular check in with their teacher, and all Senior Phase classes will have a regular live lesson. Details of these are posted on individual class teams by their teacher. So, pre-recorded lessons on English Year Group teams, live check ins on your class team.

All pre-recorded lessons are posted on a Monday. Work should be submitted the following Monday to class teachers via email.

What sort of work will your child be completing?

All Senior Phase pupils will find one pre-recorded lesson on the Scottish Set text, and one pre-recorded lesson on RUAE each week. They will also have a live lesson in which the literature aspect of the course is covered.
