### ENGLISH

#### ENGLISH - S3

#### Where can you find the work?

Each year group or NQ level has an English Year Group team where pre-recorded lessons are uploaded. Alongside this, all BGE classes will have a regular check in with their teacher, and all Senior Phase classes will have a regular live lesson. Details of these are posted on individual class teams by their teacher. So, pre-recorded lessons on English Year Group teams, live check ins on your class team.

All pre-recorded lessons are posted on a Monday. Work should be submitted the following Monday to class teachers via email.

#### What sort of work will your child be completing?

All S3 pupils have been completing project work, and are now moving on to some literature tasks, as per S1 and 2.
