# **What is DYW?**

**To increase  
opportunities for ALL  
young people and  
assist them in  
reaching a positive  
sustainable  
destination.**

# Positive Destinations

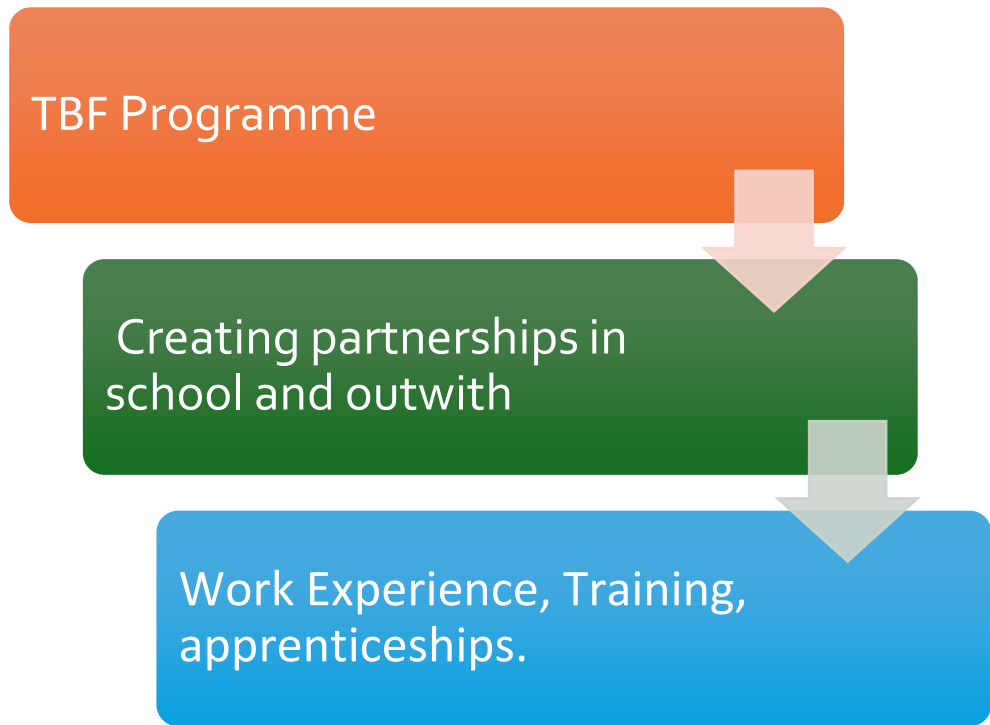

Engage & encourage young people to take part in further education, training, work and apprenticeships

Work with non engaged young people.

One to One – Registration, Action Plan, Skills & Aspirations

What we will work on will depend on each young person

TBF Re-Engagement (On Route) – Young people who require some support to break down barriers to engaging.

TBF Next Steps – For Stage 2 upwards young people who have left school without a positive destination we will provide a range of employability programmes to help boost skills, confidence, qualifications and provide a progression route.

TBF College Mentor Support – For any young person who has a confirmed college space, but is at risk of not sustaining this
