S4 2026 – 2027

1. CORE SUBJECTS

Everyone in S4 will study: ✓ **English or ESOL** and **Mathematics** (4 periods per week) ✓ **RE** and **PE** (2 periods per week) ✓ **PSE** (1 period per week)

2. PERSONALISATION AND CHOICE

You will then complete an MS Form to choose **5 of your current S3 subjects** to specialise in – one from each column below (each will have 4 periods per week).

3. ONE TO ONE SUPPORT: You will have a discussion with your Pastoral Care teacher, and this will begin with 4 key questions:

What subjects do you enjoy and feel most confident in right now, and why?

What are you current working levels telling you about where you could succeed in S4?

Are there any careers, skills, or interests you want your choices to keep open for the future?

Is there anything affecting your learning or wellbeing that we should consider when helping you choose?

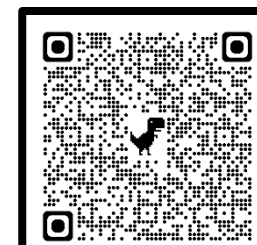

NO NEW SUBJECTS CAN BE CHOSEN AT THIS STAGE – CONTINUE ON WITH 5 SUBJECTS YOU ARE CURRENTLY STUDYING
